### How Our Fees Work

Parents will pay either:

- Funded hours + SEND Specialist Support Fee  
OR
- Private session fees (fully inclusive)

**You will never pay both.**

---

### Funded Early Education Places (15 or 30 Hours)

We accept Government-funded early education places (15 or 30 hours per week, 38 weeks per year).

Funded hours contribute towards your child’s place. As a specialist early intervention setting, a **SEND Specialist Support Fee applies to funded places only. This fee applies instead of session fees. It is not an additional charge on top of private session prices.**

#### **For 15 funded hours per week:**

9 months – 2 years: £80 per week  
2-year-olds: £120 per week  
3-year-olds: £160 per week

#### **For 30 funded hours per week:**

9 months – 2 years: £160 per week  
2-year-olds: £240 per week  
3-year-olds: £320 per week

## **Private Sessions (Non-Funded Places)**

### **Times and Prices**

<b>Times</b>	<b>Prices</b>
Full day session: 9:00am to 4:00pm	£120.00
Morning session: 9:00 to 12pm	£60.00
Afternoon session: 1:00 to 4.00pm	£60.00

**All session fees are fully inclusive of our specialist SEND provision. No additional fees apply.**

---

### **Why Our Fees Are Structured This Way**

In most nurseries, fees reduce as children get older due to increased Government funding and higher Ofsted adult-to-child ratios (e.g. from 1:5 to 1:13).

At The Nurture Nest, we maintain a consistent 1:3 ratio and provide embedded therapeutic support at all ages. As Government funding decreases for older children but our level of support remains the same, the SEND Specialist Support Fee increases accordingly.
