Protection for when the unexpected happens

Colonial Life provides benefits that your employees want for those unexpected moments in life, whether that's an accident, illness or injury.

DISABILITY

Provides financial protection to cover income loss from a covered disability.

Individual and Group Short Term Disability: Replaces a portion of your employees' income if they have an accident or illness and can't work. Optional features include protection for psychiatric and psychological conditions and waiver of elimination period for hospitalization.

LIFE

Provides financial protection and peace of mind for an employee's family in the event of a death.

Individual Term Life: Term life is ideal for high demand working years. Flexible benefit design offers four term options (10-, 15-, 20- and 30-year), family coverage and a set death benefit payment. It can be renewed or converted to a whole life policy.

Group Term Life: Flexible benefit designs with both employer and employee-paid options. Allows employees to purchase additional coverage at group rates. It's portable and convertible to a whole life policy under certain conditions.

Individual Whole Life: Provides protection for a lifetime. Features guaranteed level premiums and increasing cash values over time. Option to increase coverage on the second, fifth and eighth year of the policy's anniversary.

DENTAL

Provides coverage for a wide range of dental services, from routine cleanings to root canals. There are no waiting periods for preventive or basic services, such as fillings and simple extractions. Offers additional savings through a large national network of providers. Options available for orthodontia, vision and an annual maximum rollover benefit.

ACCIDENT

From a fall to a car accident, this coverage offers a range of benefits to help cover medical or non-medical related expenses due to a covered accident.

Individual and Group Accident: Provides benefits to help cover initial care, such as ER visits or x-rays, as well as more serious needs, such as fractures and dislocations. Includes follow-up care, like doctor's visits, and physical therapy to assist with recovery. Optional features include active lifestyle benefits and wellness.

SPECIAL RISK

Pays lump-sum benefits for a diagnosis of a critical illness or cancer, as well as ongoing benefits for treatment.

Individual and Group Cancer: Provides benefits for a cancer diagnosis and treatment. Option to add cancer screening benefit.

Individual and Group Critical Illness: Provides lump-sum benefits for a covered critical illness, such as a heart attack or stroke. Optional features include cancer treatment, cancer reoccurrence and a subsequent diagnosis benefit. Group critical illness also has a heart benefits rider and an infectious diseases rider available.

HOSPITAL CONFINEMENT

Medical BridgeSM, also called hospital confinement, provides benefits to help cover the cost of a hospital stay and other medical procedures, regardless of what health insurance pays.

Individual and Group Medical Bridge: Provides benefits for a range of procedures and medical events, such as hospitalization, surgeries, diagnostic procedures, ICU and wellness screenings.
