

CivicReady Emergency Alerts

You can receive alerts about evacuations and weather emergencies in Klamath County by signing up for CivicReady Emergency Notifications from Klamath County's web site. Alerts come in the form of text messages, emails, and phone calls, depending on the options you choose in your account.

Be sure to enter your address in your account information in order to receive alerts specific to your location. You can also choose to join the weather alerts group to receive National Weather Service warnings about thunderstorms, winter storms, and fire weather, among others.
