CHILOQUIN-AGENCY LK RFPD

Dear Mike Cook,

Thank you for applying for the Oregon State Fire Marshal's (OSFM) Community Wildfire Risk Reduction for Defensible Space Grant. The OSFM is pleased to inform you that your application was accepted for awarding. Your project will help achieve the primary goal of this grant: creating local solutions to increase defensible space in Oregon.

Projects were prioritized based on the following:

- Impact in high-wildfire risk regions
- Serving socially vulnerable communities
- Focus on the built environment

The OSFM received 58 applications, totaling a requested \$4,110,131. The grant fund awarded 40 recipients, totaling \$2,936,981.

Unfortunately, Oregon's need is more than what the OSFM could fund with this program alone; our department continues to seek and develop additional funding opportunities.

As wildfires increase in size and scope, all areas of Oregon

have and can be impacted by wildfire. It is important that every community prepare for wildfire risks. For training webinars and more resources, visit [Oregon Wildfire Programs](#) to locate partners and learn how to prepare Oregonians for living with wildfire.

Mike;

As I recall from our phone conversation back on October 23rd., you were going to ask the board to approve a price to "re-buy" the Valmont tower steel stored at Fire Station 3.

I'm just checking in to see if a decision has been made.

Regards.
