

RED MOUNTAIN HIGHWAY

BIO

Quoted as being “the next big thing” in the Colorado Country Music Scene, Red Mountain Highway blends driving riffs with soulful vocals to create a sound that is uniquely their own. With an unrivaled ability to transition between their original music, high energy rock songs, or classic, 90's and modern country, they consistently get the crowd out on the dance floor! Another thing that sets the band apart, is that all members are either actively serving or retired military members.
