 NARRATED BY JEROME WARREN

It Was An Abnormal Sunday...
 As Pastor Stanley Moore entered the sanctuary with the processional, everything seemed surreal. Based on what he had just heard, Pastor Moore heard the voice of God ask:
 "Can I Trust You with Trouble?"
 Losing nearly 60 percent of his women family members in 11 months, Trouble became Pastor Moore's constant companion, embracing him at every turn. Read his story and how he proved that God could trust him with trouble.

Rev Pastor Stanley Moore was a devoted servant of God as a pastor, father, husband, son, brother, and leader. His story is an example to everyone of how God can trust us with trouble if we keep our faith in Him.
