About Your Trainer

With a background in finance, project management and training, I left my career as a mortgage adviser to follow my passion for beauty.

In October 2021, I opened my beauty business and within a year was fully booked. I took the leap to go full-time and never looked back.

Wanting to help others build the same freedom, I gained my AET certification and built Lynton House Beauty Academy with comprehensive courses, detailed manuals and lifetime support.

ABT-accredited, award-winning, and backed by hundreds of five-star reviews, I teach from my dedicated space in Weasenham, Norfolk, with small classes of 1–6 students.

My mission: to empower others to create a career they love, with flexibility and fulfilment.
