

Outagamie County 4-H Horse Association

Distance Riding Program

You work and play hard with your **project** horse.

For your own awareness, we would like you to keep track of the time that you put in

Website: <https://outagamie.uwex.edu/4-h-youth-development/member-resources/>

(Look for this form)

At the end of the year, you will receive a plaque if you spend 150 or more hours with your **project** horse. Each you will earn an engraved disk with the 150+ hours you spend with your horse to add to your plaque

If you do not achieve 150 hours, that is OK. Just keep track and turn in your hours, as all members will be recognized. Hours logged must be from the current 4-H calendar year. October 1st-September 30th.

Logged hours are due to the Horse Association by October 7th. Send to Kathy Filen, W10172 School Rd, Hortonville, WI 54944

Indicate on the log what you and your **project** horse have done together along with the time in increments of .25 minutes

- If you calculate in increments of .25 minutes, the sheet will automatically add that time for you!

Have fun with your project horse/ pony!
