LIVESTOCK PREMISES REGISTRATION RENEWAL CONFIRMATION

Thank you for renewing your 2008 livestock premises registration with the Department of Agriculture, Trade and Consumer Protection. Renewals are important to ensure that premises information is accurate.

If anything changes between now and your next annual renewal, you can update your information by using your user name and password online at www.wiid.org, or www.datcp.state.wi.us/premises/index.jsp OR call toll free 888-808-1910 for assistance.

Enclosed in this mailing is a 2008 sticker for your Wisconsin Livestock Premises Registration Card that represents your completed renewal.

The livestock premises registration program is intended to protect animal health. In the past year, the department has sent notices to livestock owners to alert them of animal diseases that could affect their livestock.

If there are questions, please contact the Department's processing agent at:
