

AVOID THE TRAFFIC

The traffic on Robinson coming from West of Hanna Road (I45, the feeder, etc) can sometimes be heavy, especially on weekdays between the hours of 4-6pm. Here's a suggestion on avoiding the traffic by staying off of Robinson. Try this instead:

- From I45: Right on Lane Lane off of feeder (yes it's called "Lane Lane"), right on Westwood, left on Ridgewood which turns into Alana, left on Hanna.
- From Woodlands Parkway: Right on Westwood, left on Ridgewood which turns into Alana, left on Hanna.
- OR get to TADA off of Alana by going through back parking lot, avoiding Hanna altogether.
