## HOW TO SET UP A NATIONAL SPORTING FEDERATION

1. Talk to athletes in your country to see if they want to form a National Federation (NF). It can be very helpful if you include obstacle athletes who have experience in sports governance in recognized Olympic sports at the national or international level.
2. Discuss forming a federation with your National Olympic Committee (NOC) and its Athletes Commission, and/or your National Sporting Association
3. Form a Legal Entity similar to the NOC such as a non-profit corporation, club, association, or other entity appropriate in your country. Ask your NOC for help with this or any part of the process if you need it.
4. Notify athletes in your country of a General Assembly meeting by sending them an email, letter or notification on social media, including an agenda listing the following topics:
  - o Roll call
  - o Forming an Association
  - o Agreeing a Constitution
  - o Elections to the Executive Committee
  - o Projects to run
  - o Any other matters you or they wish to discuss
5. Use the FISO Sample Constitution or create your own and send this draft to your country's athletes prior to the meeting. The sample Constitution we have sent you is a starting point. Include your country name in the federation name. You may change any part of the Sample Constitution.
6. Select a Chairperson to chair the meeting. You may use Roberts Rules of Order as a system to run your meetings, [www.robertsrules.com](http://www.robertsrules.com). It is not necessary to run your meetings using Roberts Rules.
7. During the meeting discuss and pass the Constitution including any changes as voted by the meeting. Then elect whatever Executive Committee Members your constitution calls for.
8. Record the decisions of the meeting, the names of those present and elected as Members of the Association and those elected as members of the Executive Committee as official Minutes which you should keep in a safe place (and ideally in a cloud storage service).

Please fill in and return the following to FISO as a PDF document:

- 1. NF Application for Membership form**
- 2. Affidavit of Legal Status form**
- 3. Executive Committee Members Form**
- 4. Your Constitution and Bye-Laws**
- 5. Recognition by NOC or NSA form**

Send to [governance@worldocr.org](mailto:governance@worldocr.org). We will notify you of next steps in due course. Any questions please get in touch and we will help. Thank you for your interest in forming a National Federation and becoming a member of World OCR.
