Event Schedule

Welcome to Amarillo Texas, the West Texas Ranch Rodeo and the first stop of our 20th season.

We are very happy to be here with you all and are excited to have 98 competitors from across our magnificent country, Australia and Canada. We are hoping for comfortable weather, but the reality of the situation is that since we are here we will either have a lot of wind, maybe a lot of rain, probably not a lot of humidity, hopefully not an ice storm or thunder snow either, but you never know! We apologize for this, we continually try to find out what we did to make Mother Nature angry with us, with no result. The good news is we will work around it!

Please remember to stay hydrated and listen to your body! You may not think of yourself as this, but you are an athlete competing at a high caliber athletic event!

The West Texas Ranch Rodeo has done a lot to welcome us here and we are beyond happy to be a part of their event. It is going to be an amazing competition and we thank you all for being here with us. Thanks also to our sponsors who play a huge part in making certain that the wheels keep turning, without your help it would make what we do very difficult. Thank You!

Team work makes the dream work!

Meet Our Judge Mr. Mike Augenstein, CJF

Mike Augenstein is a 1996 graduate of the Mid-West Horseshoeing School and has spent the past 30 years building a successful full-time farrier business in southeastern Ohio. He participated in a cultural exchange program in 1998 and has extensive experience working with a wide range of equine disciplines, primarily Western performance horses, as well as dressage and jumper horses. From 2010-2011, Mike was a member of the American Farriers Team, representing his trade at a national level.

In 2012, Mike earned the title of Reserve National Champion at the American Farriers Association Convention and received the Best Shod Foot at the World Horseshoeing Classic, highlighting his skill and dedication to excellence. Outside of competition and work, he enjoys following the sporting events of his two daughters. As his daughters have grown, Mike has found great fulfillment in mentoring young and upcoming farriers, helping them succeed in both the trade and competitive farriery. He lives on a small farm where he raises horses and cattle, continuing his lifelong connection to agriculture and the equine industry.

Saturday April 25th

Liberty Live Shoeing

Live Shoeing:
70 Minutes
No Striker Rasping

If you are not in the round you can not help hold the vises or work the forges. Doing so will result in the competitor who is in the round being placed last in the class

Specimen Shoe:
Hot Rasp
(whole thing)
Barshoe with Toe Clip
Width: 5 1/2"
Length: 5 3/8"
Bar Width: 3"

Due to the amount of competitors we have, you will have to qualify for the shoeing go. You qualify by being one of the top 40 competitors after the first two and a half days of competition.

You will go in the shoeing round in the order you are sitting going in to the round. So if you are 1st, you will go in Round 4 on Anvil 10. If you are sitting 40th you will go in Round 1 on Anvil 1.

Well done for making it this far and best wishes for a great day!

Scoring & Rules

Shoes are judged according to the judges specifications. They are judged in the open, for everyone to see. The judge has the final say on shoes.

***DO NOT** pick up shoes off of the table while the shoes are being judged

***This means YOU or YOUR FAMILY & FRIENDS, CANNOT TOUCH THE SHOES ON THE TABLE!!! Doing so will result in the shoe that is being handled being placed at the end of the line. Be respectful of this rule or we will no longer judge in the open for everyone to see. We certainly do not want to see this happen.**

***Also you may not pick up the specimen shoes without the judges permission. You may not set the specimen on top of any of the shoes on the table. Doing so will result in your shoes going to the end of the line, or in disqualification.**

***DO NOT ATTEMPT TO INFLUENCE THE JUDGE WHILE THE SHOES ARE BEING JUDGED!** Doing so will result in disqualification from the class.

Your shoes will be picked up and tagged by WCB staff, cool them off and leave them on your work table, not the face of the anvil, where they will get hot again.

The tags are then folded in half and stapled shut so the judge doesn't have the stress of knowing whose shoes are whose.

*** YOU MUST USE A ROUND CENTER PUNCH, ANY OTHER SHAPE WILL BE TAKEN AS A TOUCH MARK AND WILL RESULT IN DISQUALIFICATION FROM THE CLASS!!**

***There is no striker rasping in any class.**

****There should only be the competitor and their striker in the competition area. No help outside of that. Doing so will result in the competitor being disqualified. This includes holding the vise with your foot and working the forge in any manner. Please don't make us enforce this, but it's a rule now because it is an issue.***

POINTS

*There are 75 points available in each class. 75 points for 1st, 73 for second, 71 for third, 69 for fourth, 67 for fifth then single points thereafter. (66 for sixth, 65 for seventh, 64 for eighth, etc.)

*Class 3: trim, shoe fit, shoe making, overall finish and specimen are judged.

*In the event of a tie for 1st place in a class there will be a "shoe off" where the two (or more) competitors who are tied will participate in a short forging class.

*Mustad Match Play points go towards event totals. 1 point per win in the bottom bracket and shaded gray area of bracket and 2 points per win in the top bracket.

* Iron Range MFG Striker of the Year points are available in each class where a striker is allowed except in Match Play.

A DOUBLE ELIMINATION TOURNAMENT

How it works:

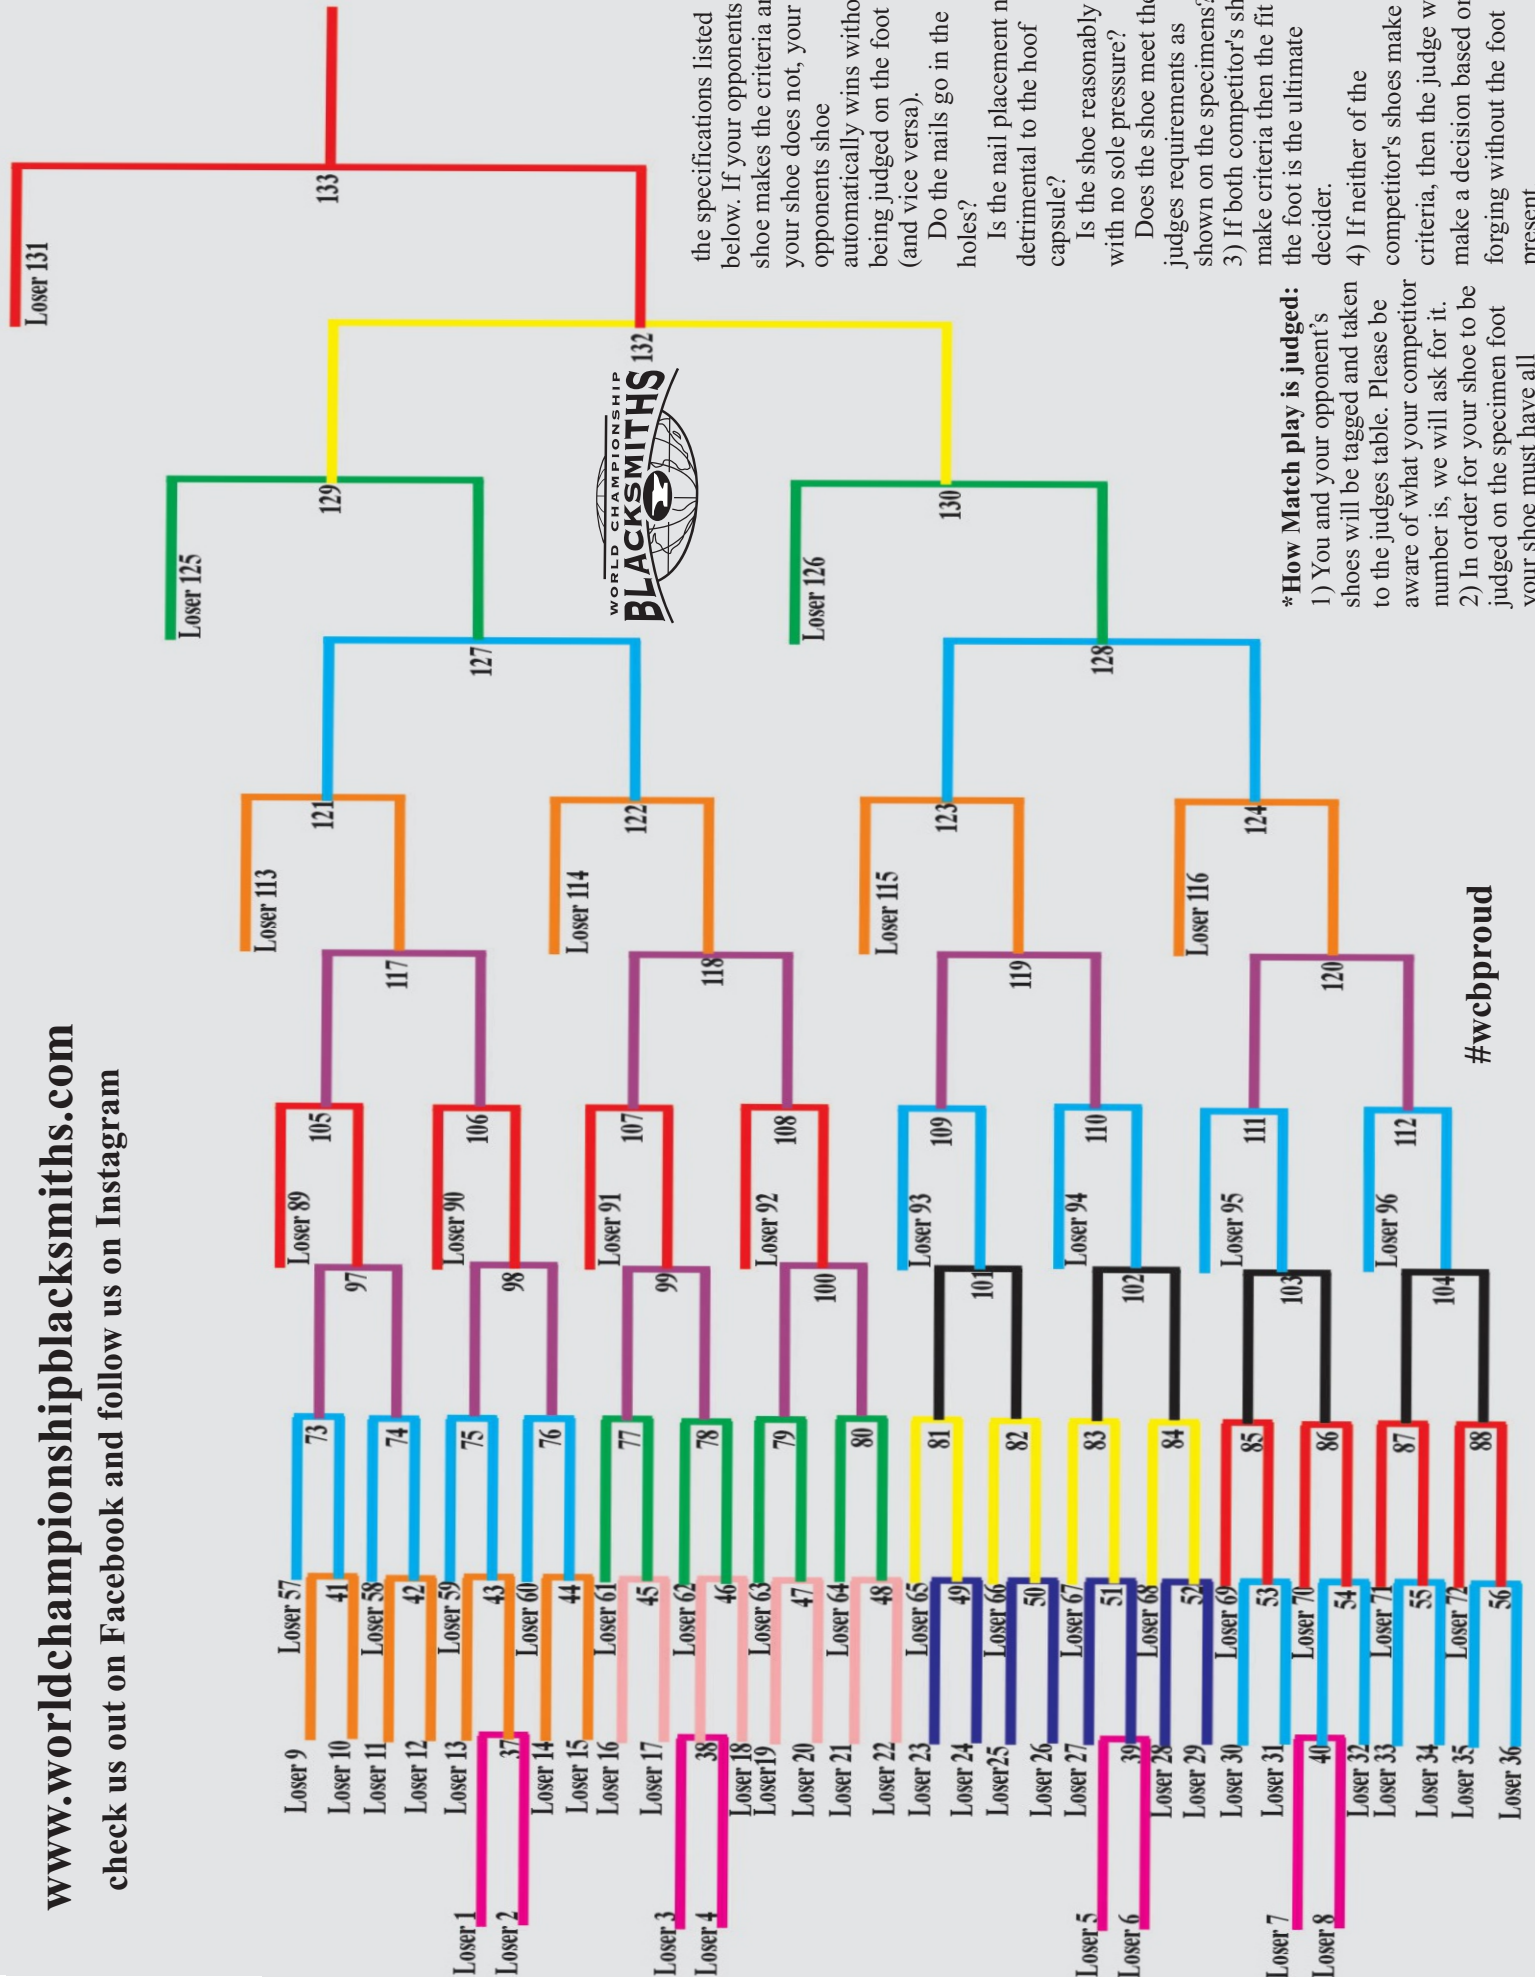

- To insure a smooth event your name has been drawn randomly, from a bingo tumbler, and placed on the bracket. **THERE IS NO SEEDING!** The bracket is color coded in order of rounds and numbered by the bracket number.
- This is an Individual Class. The first round of competition consists of a 12 minute eagle eye class where you can measure the foot, but cannot use calipers.
- A 3/4 Fullered Hearbar will be made out of appropriate stock and with appropriate nail.
- The shoe will remain the same throughout the tournament, but the time limit will become shorter.
- Each competitor will receive only 1 piece of barstock - don't burn it up! But if you do - keep going!
- You may only participate in Mustad Match Play by registering for each competition by the deadline.
- *Novice competitors have their own bracket.
- Points will be awarded to each competitor's overall competition total: 2 points per win in the top bracket, 1 point per win in the bottom bracket and areas shaded in gray. There are no striker points available.
- the winner will receive a Mustad Match Play Champion buckle and \$1000. The runner up will receive \$250.

Novice Match Play

A Double Elimination Tournament

How it works:

- To insure a smooth event your name has been drawn randomly, from a hat, and placed on the bracket. **THERE IS NO SEEDING!** The bracket is color coded in order of rounds and numbered by the bracket number. There will be 1 head to head match up per round. You will be on the 9 & 10 stations.
- You are allowed a striker. The first round of competition consists of a 12 minute eagle eye class where you can measure the foot, but cannot use calipers.
- You will receive a Mustad manufactured shoe that you will modify to fit the foot.
- The time limit will become shorter.
- Each competitor will receive only 1 shoe per round - don't burn it up! But if you do - keep going!
- You may only participate in Mustad Match Play by registering for each competition by the deadline.
- Points will be awarded to each competitor's overall competition total: 2 points per win in the top bracket, 1 point per win in the bottom bracket and areas shaded in gray, in the top bracket. There are no striker points available.**
- the winner will receive a \$200 check!
