

*Your Cosmic Connection* is a metaphysical store and spiritual learning center located in Peoria, Arizona. The business describes itself as a heart-led community space where individuals can explore spiritual growth, intuitive development, and holistic healing. Through a combination of retail offerings, classes, workshops, and events, the organization seeks to support people at all stages of their spiritual journey, from newcomers to experienced practitioners.

The Mystic Market at *Your Cosmic Connection* offers a carefully curated selection of metaphysical tools and products, including crystals, gemstones, tarot and oracle decks, candles, incense, ritual tools, spiritual books, and artisan goods. These items are chosen for their energetic qualities and are intended to help visitors harmonize their environments and personal energy. In addition to retail merchandise, the center features natural healing offerings such as handcrafted herbal tinctures, teas, and salves, supported by a resident herbalist who integrates ancestral plant wisdom with contemporary holistic practice.

Beyond products, *Your Cosmic Connection* hosts an active schedule of educational and experiential programming through The Cosmic Classroom. This includes classes on topics such as Reiki, meditation and sound healing, tarot and psychic development, astrology, shadow work, and other metaphysical subjects. The organization also holds special workshops and community events, such as wellness fairs, drum circles, and intuitive fairs, to foster connection among participants and build a supportive spiritual community.

My life took a meaningful turn five years ago, when I realized that what once felt fulfilling was no longer enough. I was drawn to a metaphysical group that soon became a new family and source of purpose. In May 2025, I felt guided to purchase a business, which I renamed *Your Cosmic Connection*.

My vision is to create a space where individuals can grow spiritually and explore methods of healing, both physically and on a soul level. The retail component of the business allows me to draw upon the skills I developed throughout my previous career, bringing that experience into this new chapter in a deeply fulfilling way.

When I moved to Phoenix from New Mexico in 1983, my focus was centered on my family and career. I never would have imagined that after raising my two sons and watching my seven grandchildren grow, my own life would begin such a new and rewarding path.

I am deeply grateful for the opportunity to grow alongside the authentic and loving community at *Your Cosmic Connection*, as we welcome and support others who are seeking healing, connection, and abundance.
