Dr. LANDON B. MASON SR., NCRT, CCAP  
EXECUTIVE DIRECTOR

**March 7, 2025**

**Dear Parents and Community Partners,**

As you may be aware, there is a potential government shutdown looming on March 14, 2025. We understand that this situation may cause concern and uncertainty within our community. I want to assure you that the Economic Improvement Council Community Action Agency is committed to supporting our communities to the best of our ability during this challenging time.

**Plan of Action in the Event of a Government Shutdown:**

1. **Communication:** We will maintain open lines of communication with all our stakeholders. Updates will be provided through our website, social media channels, and direct communication to keep you informed about any changes or impacts on our services.
2. **Staffing:** We have developed a contingency staffing plan to ensure that we can continue to provide necessary services. This may involve reassigning staff to critical areas and implementing flexible work schedules to maximize our available resources
3. **Partnerships:** We will collaborate closely with local organizations, businesses, and volunteers to supplement our efforts.
4. **Advocacy:** Our agency will actively engage with local and state officials to advocate for the needs of our community. We will work to ensure that our concerns are heard and that any available support is directed where it is most needed.

EIC acknowledges that the situation is highly uncertain, and we do not know what the outcome may yield. However, please know that our commitment to serving our community remains unwavering. We appreciate your continued support and partnership during this time. If you have any questions or need assistance, please do not hesitate to contact us.

Thank you for your understanding and cooperation.

Dr. Landon B. Mason Sr., CCAP, NCRT  
Executive Director  
Economic Improvement Council Community Action Agency
