

Your Cooperation Needed

**Make sure your dog does not
poop or pee in any neighbor's yard**

- Dogs **DO NOT** have the right to trespass into any neighbor's property to relieve themselves.
- Dog urine can cause unsightly yellow spots on your neighbor's grass.
- Unsightly and smelly, animal waste can spread disease and pollute the wetlands.
- When walking your dog in our community, keep your dog leashed.
- Help us eliminate one of the most irritating nuisances in our neighborhood.

Thank you!
