

APRIL 2024

Elks Care - Elks Share

Seaford

A Fraternal Organization

Greetings;

I was elected as your Exalted Ruler for the 2024-2025 year. I will serve and represent our Lodge as best I can . With your help and ideas we can make the Lodge a place to come and enjoy yourselves. Don't hesitate to contact me.

First, I want to thank the past officers for a grand job that they did and thank the new officers for stepping in to move the Lodge forward. Thank you !

We have added many new members and they want to help out but we need the older members to come in and mentor them. Your help is greatly needed so come out to meet them.

The Lodge has purchased a new LED sign. We will install it when Mother Nature lets us. Just asking if we have an electrician that can help out?

As ER, I need to fill the committees. Please look at them in the newsletter and if you would like to serve, let me or an officer know. Thanks in advance.

As spring is here I hope everyone's Easter was great. As everything is starting to grow and bloom so may our Lodge do the same. We can do it with everyone! On Monday, April 15th there will be a planning meeting @ 7:00 PM. Please bring your ideas,

Thank you,
Jack Davis, Exalted Ruler

Remember our motto:

Elks Care - Elks Share
