Message from the CRFU President

Welcome to this year's handbook which I hope you find as useful as I do.

In this digital age it is nice to get hold of something you can thumb through rather than scroll through, although I'm sure it won't be long before we have this option!

My second year as president of the CRFU has proved more challenging than I hoped for. I was not able to get out and about after sustaining an injury in the 'off season' which meant not being able to drive for over 5 months. This meant I was unable to visit the many clubs I've yet to get to during my tenure so apologies for this, I will do my utmost to get to you this season.

As I said in last year's note I really enjoy visiting clubs and getting a feel for what they are about so it was a big blow not being able to do so. Those I did get to had a really positive and enjoyable atmosphere which was extremely pleasing to see.

In these challenging times for our game there have been many positives in our county this past season. I have continued to see great talent and numbers in our youth teams which we must continue to embrace and nurture at senior level. The same applies to our women's game which goes from strength to strength, with Launceston and Truro getting promoted and our women's county team winning the inaugural Tamar Cup, some achievement as Devon went on to win the division at Twickenham.

I must add my best wishes to Alan Milliner who is standing down from his role representing the CRFU as our RFU rep after 9 fantastic years of service. Alan has stood by his principles and proudly fought & voiced for our county at HQ, ensuring we are held in the highest regard. A very big thank you for your service my friend from all involved with county rugby. He hands the reigns over to our former Chair, Dave Saunter so we will continue in good safe hands. Welcome back to the fold Saunts.

I hope this season is fulfilling for all of our clubs, players, volunteers and supporters alike so once again to all involved at every club, keep up the good work! You are much appreciated and very much a part of the success of Cornish Rugby. Keep your eye out for the CRFU newsletter as it contains lots of useful info and opportunities which can be of benefit to your club.

I look forward to meeting as many of you as possible in the coming season and wish you all the very best for it.

Onen Hag OI
Andy Reed

July 2025

As we continue to grow and adapt our game at every level, the strength of our grassroots communities like yours is vital.

I thank each and every one of you who gives your precious time and energy to your clubs, and the game of rugby as a whole.

From the cold games in mid-winter, to the County Championship at the end of the season, Cornish players consistently embody the very best values of our sport - teamwork, respect, enjoyment, discipline, and sportsmanship.

To Cornwall's players, young and old, keep playing with pride. To the volunteers and supporters, thank you for the heart you bring to every match day. And to the county as a whole - keep flying the black and white flag with the same fierce pride that has made Cornish rugby so unique and respected.

With best wishes for the season ahead,

Deborah Griffin OBE

President, Rugby Football Union

SECTION 2: YOUTH RUGBY THESE RULES APPLY TO ALL MATCHES FOR MALE AND FEMALE U7 – U18

RULES OF THE CORNWALL RFU YOUTH COMPETITIONS SEASON 25-26

1. The competition shall be known as the Cornwall RFU knockout Cup or league Competition and shall be open to all clubs in membership with the Cornwall RFU. Clubs wishing to enter must inform the Youth Competition Secretary by the 1st of August.

2. Cornwall RFU committee shall appoint a Youth Competition Secretary Who shall run all competitions and have the final decision on any conflicts. An appeal on the competitions secretary's decision must be put in writing to the Youth Chairman within 7 days of the decision for the Youth committee to discuss.

3. The competitions Secretary shall decide upon the format, depending on the number of teams entered and a draw made accordingly. The Competition Secretary shall issue results of the draw, including dates of matches to participating clubs.

4. Matches will normally be played on the weekend of the dates stated in the draw. However mid-week/floodlight games are permissible provided mutually agreed to overcome any fixture problems, the youth competitions secretary must be informed. Kick-off will be 2.30pm for Saturdays and 11.00am on Sundays, a kick off time may be altered with both clubs agreeing, if a changed KO cannot be agreed then the default time will be used, if a club cannot fulfil that time, then the offending club can be deemed to have lost the match or the game re-scheduled at the discretion on the competition secretary.

5. Players must have a current registration with their respective club, any players playing out of age grade must have the necessary paperwork completed and the opposition informed 24 hours before kick-off, the.

All players, including replacements, are deemed cup tied once they appear in a league or cup fixture; however, the competition secretary may give permission for a player to move teams and play in cup or league games for their new club if satisfied it is a genuine reason.

Team sheets are provided by the Youth Competition Secretary, they will include players name, date of birth and RFU registration number. A player who is not a registered member of any club participating in the competition may join, providing they do register. Any player wishing to Join another club and is not cup tied may do so. Any players not covered by the above regarding eligibility must prior to appearing in the competition contact the Youth Competition Secretary.

6. Should a pitch be deemed unplayable within 24 hours of the kick off, the Youth Competition Secretary must be notified immediately with video proof and the game moved to the oppositions pitch if playable, on the day of the game The Youth Competition Secretary will reschedule the game unless both parties agree on an alternative venue, Failure to accept the Secretary's decision will result

in points or game deduction for the offending club.

7. All games shall have a duration of (age grade) minutes each way, with no extra time to be played at any stage of the competition. In the event of an abandoned match, for whatever reason, the result must be notified to the Youth Competition Secretary.

The Youth Competition Committee / discipline committee will make the final decision.

8. Points for pool matches will be awarded as follows:

4 points for a win

2 points for a draw

1 bonus point for a team scoring four or more tries

1 bonus point for a team losing by 7 points or less.

Should a game not be played, with no fault attributed

to either side, then 2 points will be awarded to both. Where a club concedes a

game and does not play as a friendly they will be deducted 5 points, and their opponents will be

awarded 5 points, should a club withdraw from the Competition, the

points together with for and against scores in matches already played

shall be removed from their opponent's total. Pool positions will be determined

firstly, by the number of pool points accrued. In the event of a tie, the pool

position will be determined by points scored and points conceded. Should there

still be a tie then the result of the game between the two teams will count.

9. Should a team be short of players, "GAME ON" principles are compulsory, opponents should attempt to loan them players, any loaned player will not be cup tied. Failure to agree this compromise.

will result in the game being played with reduced numbers on both teams

(minimum of 10 players). Both teams MUST play with equal numbers always except for a yellow or red card being issued by the referee.

Substitutes: unlimited rolling substitutions with unlimited interchanges permitted, all substitutes must play for at least (age grade) minutes, the RFU age grade "half time rule" will apply to all cup and league games.

we strongly advise that substitutes be used in a fair and even way, if a team has 15 or less players the opposition MUST use their substitutes on both sides giving every player game time and playing in the "spirit" of the game.

10. Positions in the qualifying stages (if any) of the competition shall be based firstly on the group points awarded (as 9 above). Should there be a tie then the difference between match points for and against shall count. If still equal, then by the results of the game between the two teams, and if still equal, then by the total number of tries scored.

In the knockout stages of the competition, should teams be level at full time the team scoring the most tries shall be deemed the winner. If equal, then the team with most conversions shall win, and if still equal, the team scoring the first try shall be deemed the winner.

11. The finals of the competition will be played at a venue organised by the competitions committee; the date of the finals WILL NOT be changed to accommodate clubs. Should a game end in a draw, the side with the most tries will be deemed the winner. If level, the side scoring the most conversions will be deemed the winner, if still level, the team scoring the 1st try shall be deemed the winner.

12. **Referee's** - For all matches in the competition the host club will supply a suitable qualified referee. For U16's and Colts the Cornwall Referees Society shall appoint a referee, should no appointed referee be available clubs should mutually agree to obtain a suitable qualified/trained replacement. If a suitable replacement is agreed this must be noted on the team sheet before the game commences and signed by both team managers. If no agreement can be reached the Youth Competition Secretary must be notified immediately. The Youth Competition Secretary will make a ruling or reschedule the game within 4 weeks of the original date. Failure to accept the Secretary's decision will result in points deduction for the offending club.

Results: all sides must advise the competitions secretary by 5.00pm of the match date, result by text or email

Sanction: no points awarded.

Both sides must return their league card within 6 days of the match.

Sanction: no points awarded.

Discipline: In the event of a player being sent off the committee must be informed within 48 hours of the offence, the CRFU discipline secretary will be informed and have final say after the club has held its own internal hearing.

Sanction: for not informing the committee of the sending off 5 points deduction. For playing a player after he has been sent off and before the discipline process has been concluded 10 points deduction in a league game or forfeit the game in a cup game.

Due to the high number of discipline issues that have been dealt with in the County, any reports of match official abuse, ill-discipline or abandoned games will on top of the usual discipline protocol result in an investigation from the competitions committee and may result in the team or both teams being removed from the competition.

Front Row: In the event of a side not having suitably qualified FR before a game a front row player may be borrowed from another team with no sanctions.

In the event a prop cannot be borrowed then the game will continue with uncontested scrums.

Sanction: the offending team are deducted 1 point for a league game or start with a 7 point penalty in a cup game.

Postponed games:

A game may be postponed if a National cup game is played on the same weekend

Outcome: rearranged or 2pts each.

A game may be postponed if the referee determines before the game that the pitch is unplayable

Outcome: rearrangement on a catch-up week or 2 pts. Each.

If a pitch is unplayable the home team must give the away team a "heads up" on the Friday evening with a pitch inspection taking place by 9.00am on the morning of the match, if the away team have a playable pitch, then the home team are encouraged to travel.

Appeal process:

A decision made by the competitions secretary may be appealed against, the appeal must be made in writing to the senior CRFU Hon. Secretary, Jane Bell janebellcornishrugby@gmail.com
The Hon. Secretary will form an appeal panel comprising of senior CRFU officers for a final decision.

Any points not covered above must be verified by the Youth Competition Secretary.

CLUBS PLEASE NOTE:

All CRFU Youth group trophies, including the sevens competition, must be returned engraved to the Competitions Secretary four weeks in advance of finals or your club will be invoiced for a replacement cup.

In accordance with the RFU age grade ruling, any club may select in their COLTS squad a player from the, U16s, U17s, U18s and U19s age groups (subject to the correct playing up or down assessment).

Girl's banding = U12's / U14's / U16's and U18's

U16's boys = U15's / U16's / U17's

COLTS boys = U16's / U17's / U18's / U19's

The opposition must be notified of any player playing out of age grade in the match day squad no later than 48 hours prior to kick off, no U16 is allowed on the field of play if an U19 is playing, no U15 is allowed on the field of play if an U17 is playing, the half game rule still applies., the opposition will reserve the right to refuse players to play if notification has not been given.

Failure to notify the opposition will result in a penalty -5 league points or the win being stripped if it's a cup game.

Combined playing squads.

In line with RFU regs regarding combined age groups, all CRFU competitions endorse combined age groups and will not be excluded from playing in any cup or league competitions.

However, the CRFU are fully aware of the concerns of some clubs in relation to safeguarding. Please see the code of practice below.

Code of Practice when arranging fixture for a combined team

Any combining of teams, U12-18's, must gain CB approval prior to any fixture. The form can be found at RFU regulations>reg15>combining out of age grade form. After completing all sections, paying particular attention to the "**group player assessment**" section, click on the submit box at the bottom of the form. If the application is approved, you will receive confirmation by email.

Prior to the fixture:

- You must contact the opposition fixtures secretary in good time, by Thursday at the latest, to advise that you have a combined age team. Have a discussion with the opposition coach and make sure they are aware of how you intend to manage any of the larger older players. This discussion needs to be player centred and development driven. Remember these are children and we have no wish to exclude any player.
- If you have good numbers in the younger group, please ensure you include them all in the match day squad and use the older players as rolling subs, ensuring they get at least half a game. (this can be in ten-minute segments)
- Do not use the larger older players as "crash ball carriers" this will do nothing for their own personal development nor that of their teammates.

Remember, combining of age groups allows clubs who are struggling with low numbers to give their players the opportunity to continue to play rugby where otherwise players and teams would be lost to the sport.

GUIDELINES FOR AGE GROUP MATCHES including COUNTY GAMES, KNOCK-OUT CUP FINALS & FESTIVALS

Both the Age Group and the Host Club have clear responsibilities for the success of the day, but it is the duty of the Age Group to ensure there is good liaison between the two to achieve this. Whilst most of the points are obvious to the experienced administrator, the aim is to provide a checklist which perhaps new administrators will find helpful.

A. Responsibilities of the Age Group

1. **To appoint a member of your club / age group to act as an official on the day.**
2. **This official will deal with parents / spectators and coaches in your age group to make sure they keep to the code of conduct regarding discipline, respect and the values of rugby.**
3. To make the initial contact with the Host Club and to discuss with them the following arrangements **where appropriate**:-
 - (a) manning the gate and admission charges. (if applicable)
 - (b) sale of programmes.
 - (c) car parking.
 - (d) public address system.
 - (e) catering requirements and method of payment.
 - (f) availability of bar.
 - (g) availability of St. Johns Ambulance.
4. To provide medical cover by:-
 - (a) ensuring that St. Johns Ambulance is in attendance (see 1g. above).
 - (b) providing a qualified First Aider, together with fully equipped First Aid box.
 - (c) nominating a person to act as hospital car service.
5. To provide kit, including spares for the team.
6. To host the opposition during their stay at the ground.
7. To ensure the maximum financial return on the event through:-
 - (a) match advertising - posters, press, radio and T.V.
 - (b) sponsorship.
 - (c) charging admission.
 - (d) programme sales.

B. Responsibilities of the Host Club

1. To liaise with the Age Group as per A.1 above
2. To ensure preparation and marking of pitch(es), provision of flags, water bucket and sponge, balls, oranges.
3. To ensure changing rooms are clean and showers are working.

C. Responsibility of the Cornwall R.F.U.

1. To invite one of the CRFU Care Practitioners to attend.

THE CORNWALL RUGBY FOOTBALL UNION TRIBUTE KNOCKOUT CUP COMPETITION

(Super cup, senior cup, clubs cup, senior duchy cup)

Competition Rules – Amended 2025-2026

1. The Competition shall be called "The Cornwall Rugby Football Union Tribute Knockout Cup Competition" ("the Competition"). The Competition shall be organised by the CRFU Competitions Standing Committee ("the Competitions Standing Committee").
2. All matches in the Competition shall be played under the Laws of Rugby Football and comply with the Bye-Laws, Rules and Regulations of the Rugby Football Union ("the RFU") and the Cornwall Rugby Football Union ("the CRFU") in particular the Intermediate Clubs Knockout Competition Regulations ("the Intermediate Cup Regulations"). Where the rules of the Competition conflict with the Intermediate Cup Regulations, the rules of the Competition shall prevail.
3. The Competition shall be open to clubs who are affiliated to the CRFU, competing at Levels 6 to 8 in the RFU Clubs Championship.
4. **Eligibility of Players**
No player may represent a club in the Competition either as a player or selected replacement unless he holds effective registration with that club. A player may not represent a club in the Competition either as a player or selected replacement if, in the same season, he has played or been selected as a replacement for another club in any round of the Competition, the Cornwall Rugby Football Union Tribute Super Cup Competition ("the Cornwall Super Cup Competition"), the Cornwall Rugby Football Union Tribute Knockout Cup Competition ("the Cornwall Knockout Cup Competition") or the National Cup competitions or if he is under Contract to or any other arrangement requiring him to play for another club. In the group and all other rounds including the semi final and final of the competition a club shall be permitted to select not more than six replacements players. In the group and all other rounds including the semi final and final of the competition including replacements a club must have at least five players capable of playing in the front row. A club with any doubt or question concerning player eligibility shall apply to either the Chairman or Secretary of the Competitions Committee for a decision which shall be binding on that club. The RFU Regulation permitting rolling substitutions shall apply to this Competition. Prior to commencement of the Competition each season the Secretary of each participating club shall supply the Secretary of the Competitions Standing Committee with an up to date list of the eligible players registered with that club with the RFU. Note – Restriction on number of foreign players permitted now deleted.
5. In the event of a dispute, a Disputes Committee consisting of the Chairman, Secretary and two other members of the Competitions Standing Committee shall decide on the matter, subject only to a right of appeal to the Management Board of the CRFU ("the Management Board") whose decision shall be final and binding. Any such appeal to the Competitions Standing Committee must be accompanied by the payment of a fee of £25.00 and any such appeal to the Management Board must be accompanied by the payment of a fee of £50.00 which is refundable in the event the appeal is upheld unless the Competitions Standing Committee or (as appropriate) the Management Board decide otherwise. Any cheque, bankers draft, postal or money order in payment of an appeal fee shall be made payable to the "Cornwall RFU Limited".
6. Any breach of the rules of the Competition shall disqualify the offending club from taking any further part in the Competition for that season and may result in that club being deprived of any financial benefit from it and the Competitions Standing Committee shall have the power to reinstate a club in the Competition where it has been eliminated by such offending club. This power shall cease to apply at 2.00 pm two

days before the date when a further round of the Competition, immediately following that when the breach of the rules was committed, is scheduled to be played.

7. The draw for the Competition shall be made by the Competitions Standing Committee. To allow for extra time, kick off times shall, unless mutually agreed, be 30 minutes earlier than the recommended kick off time in the CRFU Byelaws. The first named club to be drawn in any round shall be considered to be the home team and unless mutually agreed the venue for the match shall be the ground of such home club. Rounds shall be played no later than the fixed dates or fixed weekends laid down by the Competitions Standing Committee. If a weekend is fixed and the two clubs cannot agree on which day to play, the match will be played on the Saturday. In the event of a disagreement, Paragraph 5 of the Competition rules shall apply. For all rounds (other than set dates) Club Secretaries shall immediately notify the Secretary of the Competitions Standing Committee and the Appointments Secretary of the Cornwall Rugby Referees Society ("the Referees Society") of the agreed date upon which the match is to be played. If mutually agreeable, a normal fixture between the Clubs may count as the Competition match, provided that prior written notice has been given to the Secretary of the Competitions Standing Committee and the Appointments Secretary of the Referees Society. Any difficulty in arranging a match in accordance with these regulations shall be referred to the Secretary of the Competitions Standing Committee.

8. **Grounds and Match Management**

8.1 The home club shall be responsible for correctly and clearly marking its pitch. In addition, it must make proper provision to ensure that (with the exception of the touch judges, the fourth official (if appointed) and others permitted by the rules of the Competition) all spectators replacements and officials are kept at a reasonable distance from the field of play by a permanent or semi permanent barrier.

8.2 The home club shall in addition make provision for two "technical areas" one for each team competing in the match (each of which areas shall not exceed 10 square metres and which shall be at least one metre from the touchline of the pitch). The "technical areas" when occupied must not in any way impede the touch judges or fourth official (if appointed) undertaking their responsibilities). The "technical areas" must be clearly designated between the touchline of the pitch and any perimeter or pitchside fencing or other barrier as being that to which all those permitted within the pitchside or perimeter fencing (i.e. not more than two medical staff responsible for administering treatment to players and not more than two persons carrying water for the players) are to be restricted during the match other than periods of half time or (if appropriate) between full time and any replay and any half time interval during such replay.

8.3 Participating clubs in a match must ensure that team replacements and coaching staff are not permitted within the pitchside or perimeter fencing or other barrier (unless there is a permanent or semi permanent "dugout" in place in which case team replacements and coaching staff must confine themselves to the "dugout" or keep without the pitchside or perimeter fencing or other barrier) other than when a replacement is about to replace a player on the pitch, when a player is temporarily suspended or at and for the extent of half time or (if appropriate) the period between full time and any replay and any half time interval during such replay.

8.4 Not more than four water carriers per team (including medical staff) are permitted within the pitchside or perimeter fencing or other barrier and water carriers may only be permitted onto the playing area for the purpose of taking water to the players at such times as shall be approved by the Referee (on any other occasion players must come to the touchline to get water).

9. **Postponed Matches**

If weather or ground conditions prevent a match being played or a match is abandoned because of such conditions, with less than sixty minutes having been played, it shall, if possible, be played or replayed within seven days of the date originally fixed. If this is not possible, the matter shall be referred to the Competitions Standing Committee for a

decision. If a match is abandoned because of such conditions, when sixty or more minutes have been played, the score at the moment of abandonment shall stand and be deemed to be the final score in the match. The Referee's decision as to the necessity for abandonment and the number of minutes played at the moment of abandonment shall be final.

10. Notification of Results

The Secretary of the home club shall be responsible for informing the Lee Maher of the Competitions Standing Committee of the result of the match within TWENTY FOUR HOURS of the final whistle and in writing not later than first post three days after the match is played. Failure to telephone in the match result and/or send in the completed official match result card within the time limits laid down will incur a fine for each offence of £25.00. Any Club wishing to appeal must follow the procedure laid down in Paragraph 5 of the Competition rules.

11. Drawn Matches

11.1 In all rounds except the final, if after forty minutes of play each way, the scores are still level, there shall be an immediate period of replay between the same teams, of ten minutes each way with a one minute interval. If the scores are then equal the team that has scored the most tries shall go forward to the next round. If this does not produce a result the team that has scored the most goals from tries shall go forward to the next round. If the scores still be equal and the goals from tries still be equal, the visiting team shall go forward to the next round.

11.2 In the final, if after forty minutes of play each way, the scores are still level, there shall be an immediate period of replay between the same teams, of ten minutes each way with a one-minute interval. If the scores are then equal, the team that has scored the most tries shall be the winner. If this does not produce a result, the team that has scored the most goals from tries shall be the winner. If no result is then achieved, the trophy shall be shared between the finalists. There shall be no replay. Unless otherwise arranged by the Competitions Standing Committee the final shall be played on a neutral ground and the winning finalist shall receive the BBC Spotlight Trophy. Prior to 1 March in the following season the Hon. Secretary of the winning finalist shall be responsible for returning the trophy to either the Chairman or Secretary of the Competitions Standing Committee suitably engraved with the name of the winning club, cleaned and in good condition. Any club returning the trophy late, un-engraved, unclean or damaged shall be liable to a fine of £25.00 or shall bear the actual cost of engraving, cleaning or repair whichever shall be greater. The winning finalist shall be responsible for the security of the trophy whilst it is in its possession.

12. Matches shall start at the agreed time; any delay may be reported by the non-offending club to the Competitions Standing Committee and may lead to the disqualification of the offending club from that season's Competition.

13. Referees and Assistant Referees

Referees for all matches in the Competition and Touch Judges for the semi finals and final shall be appointed by the Referees Society.

14. Replacements

Subject to Paragraph 4 of the Competition rules, replacements are permitted according to Regulations of the RFU.

15. Clash of Colours

In the event of clubs having similar or clashing colours the home team shall be responsible for changing its colours. For the final, the home team shall be decided by the toss of a coin by the Chairman or other nominated member of the Competitions Standing Committee.

16. Finance

16.1 The home club shall be responsible for the proper promotion of the match. The match shall be ALL PAY except for children under the age of sixteen years. The gross gate and programme receipts, less programme and referees expenses, (the gross gate

meaning the charge or charges made for entry to the field and, if appropriate, stand or stands, and excluding any charges for car parking, which must be detailed separately) for all matches except the final, shall be shared between the two competing clubs and the home club shall, where possible, pass the appropriate share to the away club on the same day of the game, but in any event not more than seven days after the match. The proceeds of the game shall be counted at the end of the game by one person from each club. The home club shall bear the match expenses and the visiting club shall pay its own travelling expenses.

16.2 At the conclusion of the Competition the receipts from the final and the sponsorship income shall be apportioned by the Hon Treasurer of the CRFU. The total income shall be divided equally between all participating clubs in the Competition, the Cornwall Super Cup Competition and the Cornwall Clubs Cup Competition that qualify under Paragraph 16.3.

**Modifications to the England Men's leagues (EML) Regulations
Relating to the playing of league rugby in the
COUNTIES 2 & 3 Tribute Cornwall Leagues**

REVISED FOR SEASON 2025 - 2026

These regulations relate to Counties 2 & 3 Tribute Cornwall Leagues. The modified leagues are subject to all RFU Regulations 6 & 14, except for those listed below. For avoidance of doubt, where there is conflict between RFU Regulations and the Counties 2 & 3 Cornwall leagues Regulations, these Cornwall Regulations, will take precedence and apply.

The modifications to Counties 2 Tribute Cornwall (Level 8).

1. All players in the Counties 2 Tribute Cornwall league must be RFU registered with their club in accordance with the RFU Player Registration Regulation 14.
2. Any club with more than one team in the English men's leagues must pay close attention to regulation 6.37 and be ready to justify any player defaulting to a lower XV, the organising committee may investigate and can penalise the offending club by way of points deduction or result reversal.
3. Electronic match result cards must be completed in accordance with the SWROC Administrative Instructions.
4. Clubs at Counties 2 may select up to four (4) Replacements, with up to nine (9) Interchanges.
5. If a scheduled Counties 2 Tribute Cornwall match is cancelled because of weather or a lack of referee it will be rescheduled for the next available Saturday (NAW) by the SW Admin office, the re-arranged date will appear on www.swrugby.co.uk and GMS within 48hrs of the postponed date, if the rescheduled date clashes with a CB cup date, the EML match will take precedence.
6. If a scheduled Counties 2 Tribute Cornwall match is cancelled due to playing numbers, the opposition must be informed by 8.00pm on the Thursday evening before the game and the league secretary informed. If a friendly game is offered by the offending team and they have a minimum of 10 players, no points will be deducted, if a friendly game is not offered or the offending team has less than 10 players, then 5 league points will be deducted, the venue will also be reversed on the next league meet against the offending team, the league secretary may carry this forward into the next season, If the non-offending team do not accept the offer of a friendly game, then the game will be considered void, and no league points will be awarded and no sanctions imposed.

Counties 3 Tribute Cornwall League Secretary

RULES OF THE CORNWALL RFU 2nd XV COMPETITIONS

These rules apply to both league and cup competitions.

1. The competition shall be known as the Cornwall RFU knockout Cup or league Competition and shall be open to all clubs with membership with the Cornwall RFU. Clubs wishing to enter must inform the Youth Competition Secretary by the 1st of August.

2. Cornwall RFU committee shall appoint a Competition Secretary who shall run all competitions and have the final decision on any conflicts.

An appeal on the competitions secretary's decision must be put in writing to the competitions Chairman within 7 days of the decision for the committee to discuss.

3. The competitions Secretary shall decide upon the format, depending on the number of teams entered and a draw made accordingly.

The Competition Secretary shall issue results of the draw, including dates of matches to participating clubs.

4. Matches will normally be played on the weekend of the dates stated in the draw.

However mid-week/floodlight games are permissible provided mutually agreed to overcome any fixture problems.

Should a club need to alter a scheduled date they must contact the Competition Secretary 3 weeks prior to the scheduled date.

Should the reason for postponement be granted, the Competition Secretary will reschedule the game within 4 weeks of the original date.

Failure to accept the Secretary's decision may result in a penalty.

5. Players must have a current registration with their respective clubs, any players loaned should be written on the match card with an Asterix next to their name. Team sheets are provided by the Competition Secretary, they will include players name and RFU registration number.

A player who is not a registered member of any club participating in the competition may join, providing he does register. Any player wishing to join another club and is not cup tied (3 games or less) may do so with the relevant paperwork completed and signed off, no registered player may transfer after the deadline date which is the 1st of March without express permission from the CRFU committee.

Any players not covered by the above regarding eligibility must prior to appearing in the competition contact the Competition Secretary.

6. Should a pitch be deemed unplayable within 24 hours of the kick off, a local member of the Cornwall Referees Society must be asked to confirm this decision.

The opponents and the Competition Secretary must be notified immediately.

The Competition Secretary will reschedule the game,

Failure to accept the Secretary's decision will result in points or game deduction for the offending club.

7. All games shall have a duration of 40 minutes each way, In the event of an abandoned match, for whatever reason, the result must be notified to the Competition Secretary.

The Competition Committee / discipline committee will make the final decision.

8. Points for pool matches will be awarded as follows:

4 points for a win

2 points for a draw

1 bonus point for a team scoring four or more tries

1 bonus point for a team losing by 7 points or more

Should a game not be played, with no fault attributed to either side, then 2 points will be awarded to both.

Where a club concedes a game and does not play as a friendly, they will be deducted 5 points and their opponents will be awarded 5 points, should a club withdraw from the Competition, the points together with for and against scores in matches already played shall be removed from their opponent's total.

Pool positions will be determined firstly, by the number of pool points accrued.

In the event of a tie, the pool position will be determined by points scored and points conceded.

Should there still be a tie then the result of the game between the two teams will count.

9. Should a team be short of players, their opponents should attempt to loan them players. Any loaned player will not be cup tied. Failure to agree this compromise will result in the game being played with reduced numbers on both teams (minimum of 10 players).

Both teams MUST play with equal numbers always except for a yellow or red card being issued by the referee.

Substitutes: unlimited rolling substitutions with unlimited interchanges permitted.

We strongly advise that substitutes be used in a fair and even way, if a team has 15 or less players the opposition are encouraged to use their substitutes on both sides giving every player game time and playing in the "spirit" of the game.

10. Positions in the qualifying stages (if any) of the competition shall be based firstly on the group points awarded (as 9 above). Should there be a tie then the difference between match points for and against shall count.

If still equal then by the results of the game between the two teams, and if still equal, then by the total number of tries scored.

In the knockout stages of the competition, should teams be level at full time, 10 minutes extra time each way will be played, should the score still be level then a further period of play will commence and the first team to score, either by a kick or try will be the winner, in the event that it is not possible to play any extra, extra time then a toss of the coin will decide the winner.

11. The finals of the competition will be played at a venue organised by the competitions committee; the date of the finals WILL NOT be changed to accommodate clubs.

Should a game end in a draw, 10 minutes extra time each way will be played, should the score still be level then a further period of play will commence and the first team to score, either by a kick or try will be the winner, in the event that it is not possible to play any extra, extra time then the two teams will share the trophy.

12. For all matches in the competition, the Cornwall Referees Society shall appoint a referee.

Should no appointed referee be available the home team as the responsibility of finding a suitably qualified/trained replacement and mutually agreeing this with the opposition, this must be noted on the team sheet before the game commences and signed by both team managers.

If no agreement can be reached the Competition Secretary must be notified immediately.

Continued Addition for Season 25/26 – DISCIPLINE

With the reported rise in cases of match official abuse from spectators, and coaches we feel we need to do more to promote and enforce the values of our game.

Therefore, in addition to the normal discipline process the competitions committee reserve the right to penalise teams by way of points deduction for league games and forfeiting wins in cup matches.

It is all our responsibility to come down heavy on cases of ill-discipline and lack of respect and we will punish any cases that are reported to us.

Game confirmation code of conduct

We are asking all clubs to sign up to this code of conduct, it will greatly help with teams not getting game time and increase the communication between teams and clubs.

Both clubs confirm there are no problems with the forthcoming match – CONFIRM BY 8PM ON THE TUESDAY.

If a club has a potential problem with the forthcoming game, this is communicated – NO LATER THAN 8PM ON THE WEDNESDAY

A fixture cannot be fulfilled - NO LATER THAN 8PM ON THE THURSDAY.
If a club cancels a fixture later than that then they may be liable for sanction, points deduction, or a charge from the non-offending club for match day food if it has already been sorted out.

Good communication is key, this will help match day organisers find replacement games, C3C games can be postponed, please make sure you always inform the competitions lead.

This policy describes how Cornwall RFU (also referred to as "CRFU", "we" or "us") will make use of the data we handle in relation to our members and players, including our use of the Game Management System ("GMS") provided by the Rugby Football Union ("RFU"). The policy also describes the RFU's use of data on GMS.

- your medical conditions or disability, where you provide this to us with your consent (or your parent's consent) to ensure we are aware of any support we may need to provide to you

Some information will be generated as part of your involvement with us, in particular data about your performance, involvement in particular matches in match reports and details of any disciplinary issues or incidents you may be involved in on and off the pitch, such as within health and safety records.

What information do we receive from third parties?

Sometimes, we receive information about you from third parties. For example, if you are a child, we may be given information about you by your parents.

We may receive information relating to your existing registrations with other clubs or rugby bodies or disciplinary history from the RFU through GMS. Additionally, for certain role holders or those working with children, we may receive information from the Disclosure and Barring Service and RFU on the status of any DBS check you have been required to take.

How does the RFU use any of my information?

The RFU provides GMS, but make its own use of the following information:

- your name
- your gender
- your date of birth
- your RFU ID (as assigned in GMS)

- your home address, email address and phone number; and
- your type of membership and involvement in particular teams at the Club, or any key role you may have been allocated, such as Chair, Safeguarding Lead, Membership Secretary etc

The RFU uses this information as follows:

- As required by the RFU to conduct its business and pursue its legitimate interests, in particular:
 - communicating with you or about you where necessary to administer Rugby in England, including responding to any questions you send to the RFU about GMS
 - administering and ensuring the eligibility of players, match officials and others involved in English rugby – this may involve the receipt of limited amounts of sensitive data in relation to disabled players, where they are registered for a disabled league or team, or in relation to anti-doping matters
 - maintaining records of the game as played in England, in particular maintaining details of discipline and misconduct
 - monitoring use of GMS, and using this to help it monitor, improve and protect its content and services and investigate any complaints received from you or from others about GMS

- For purposes which are required by law:
 - The RFU will ensure, where you will work with children and where this is required, that you have undergone an appropriate DBS check – this is also carried out with your consent
 - The RFU may respond to requests by government or law enforcement authorities conducting an investigation

Withdrawing consent or otherwise objecting to direct marketing

Wherever we rely on your consent, you will always be able to withdraw that consent, although we may have other legal grounds for processing your data for other purposes, such as those set out above. In some cases, we are able to send you direct marketing without your consent, where we rely on our legitimate interests. You have an absolute right to opt-out of direct marketing, or profiling we carry out for direct marketing, at any time. You can do this by following the instructions in the communication where this is an electronic message, or by contacting us using the details set out below in the **"How do I get in touch with you or the RFU?"** section.

Who will we share this data with, where and when?

In addition to sharing data with the RFU, we will share your data with the media for public relation purposes.

Some limited information may be shared with other stakeholders in rugby, such as other clubs, Constituent Bodies, referee societies, league organisers, so that they can maintain appropriate records and assist us in organising matches and administering the game.

Personal data may be shared with government authorities and/or law enforcement officials if required for the purposes above, if mandated by law or if required for the legal protection of our or the RFU's legitimate interests in compliance with applicable laws.

Personal data will also be shared with third party service providers, who will process it on our behalf for the purposes identified above. Such third parties include the RFU as the provider of GMS.

Where information is transferred outside the EEA, and where this is to a stakeholder or vendor in a country that is not subject to an adequacy decision by the EU Commission, data is adequately protected by EU Commission approved standard contractual clauses, an appropriate Privacy Shield certification or a vendor's Processor Binding Corporate Rules. A copy of the relevant mechanism can be provided for your review on request.

What rights do I have?

You have the right to **ask us for a copy** of your personal data; to **correct, delete or restrict** (stop any active) processing of your personal data; and to **obtain the personal data you provide to us for a contract or with your consent in a structured, machine-readable format**.

In addition, you can **object to the processing** of your personal data in some circumstances (in particular, where we don't have to process the data to meet a contractual or other legal requirement, or where we are using the data for direct marketing).

These **rights may be limited**, for example if fulfilling your request would reveal personal data about another person, or if you ask us to delete information which we are required by law to keep or have compelling legitimate interests in keeping.

You have the same rights for data held by the RFU for its own purposes on GMS.

To exercise any of these rights, you can get in touch with us— or, as appropriate, the RFU or its data protection officer – using the details set out below. If you have unresolved concerns, you have the **right to complain** to the Information Commissioner's Office.

Much of the information listed above must be provided on a mandatory basis so that we can make the appropriate legal checks and register you as required by RFU Rules and Regulations. We will inform you which information is mandatory when it is collected. Some information is optional, particularly information such as your medical information. If this is not provided, we may not be able to provide you with appropriate assistance, services or support.

How do I get in touch with you or the RFU?

We hope that we can satisfy queries you may have about the way we process your data. If you have any concerns about how we process your data, you can get in touch at janebellcomishrugby@gmail.com or by writing to The Hon. Secretary, CRFU, 19, Windmill, Fowey, Cornwall, PL23 1HB.

If you have any concerns about how the RFU process your data, you can get in touch at legal@rfu.com or by writing to The Data Protection Officer, Rugby Football Union, Twickenham Stadium, 200 Whitton Road, Twickenham TW2 7BA.

How long will you retain my data?

We process the majority of your data for as long as you are an active member and for 6 years after this.

Where we process personal data for marketing purposes or with your consent, we process the data for 6 years unless you ask us to stop, when we will only process the data for a short period after this (to allow us to implement your requests). We also keep a record of the fact that you have asked us not to send you direct marketing or to process your data indefinitely so that we can respect your request in future.

Where we process personal data in connection with performing a contract or for a competition, we keep the data for 6 years

We will retain information held to maintain statutory records in line with appropriate statutory requirements or guidance.

The RFU will maintain records of individuals who have registered on GMS, records of DBS checks and the resulting outcomes and other disciplinary matters for such period as is set out in the RFU's privacy notice to be set out on www.englandrugby.com.

Records of your involvement in a particular match, on team sheets, on results pages or in match reports may be held indefinitely both by us and the RFU in order to maintain a record of the game.

THE SOUTH WESTERN DIVISION RUGBY FOOTBALL MUTUAL BENEFIT FUND

The Fund founded by the late Tom Lean of Plymouth in 1920 is administered by official representatives of Cornwall, Devon, Gloucestershire and Somerset, to provide financial assistance to players, officials and/or referees, or in the case of death where there is hardship, to relatives of same. The assistance given over the years has been considerable, but due to the development of the game on a more physical basis the number of injuries is not only increasing but is becoming more serious, and the question of insurance cover is a matter which should be looked into.

There are still a number of clubs in the South West who have apparently overlooked the important factor of making sure their players are adequately covered against injury, and the attention of every club is therefore drawn to the advantages to be obtained from taking up Membership of the South Western Mutual Benefit Fund, particularly in view of the fact that two significant changes have been made from last year, viz.,

1. The Insurance taken up with the Fund for loss of earnings Benefit will now cover up to £50 PER DAY. (All claims are based on a 6-day week.)
2. The RFU this year will pay the Compulsory Insurance and Public/Employers Liability direct. This means we have reduced our Premiums to show this.

Other points are:-

3. Maximum period of Benefit is 156 days, although this can be increased in special circumstances at the Committee's discretion.
4. In addition to **LOSS OF EARNINGS BENEFIT**, cover also includes **PHYSIOTHERAPY & DENTAL TREATMENT** not available under the D.H.S.S.
5. You will see the Fund was founded in 1920 under the aegis of the South West Constituent Bodies for rugby people.

Full details are available from — Andy Pidwell / 07387 575470 or andy@swmbf.co.uk

6. Professional Players & Referees
No compensation is payable in respect of loss of income derived from the playing, coaching or refereeing of rugby union football.
7. Premiums
Annual premiums are due on the 1st of August in each year and cover claims in respect of injuries sustained in the ensuing 12 months.

"WARNING" – An upsurge in the number of casual games such as 'Pub XV's has been reported. Club Officials would be well advised to inform their players that they are unlikely to be covered for any form of insurance when playing in such games not on a club's normal fixture list.

IMPORTANT NOTICES

Death from Heart Failure or Collapse does not come within the cover afforded by the Rules of the Fund but is available from the RFU.

If claims are not notified in accordance with the Rules, and the correct information given, then a claim might be rejected.

**SOUTH WESTERN DIVISION RUGBY FOOTBALL
MUTUAL BENEFIT FUND
CLAIMS PROCEDURE**

1. Immediately a player is injured on the field of play his Club Secretary must be informed, and a first notification that a claim may develop must be sent to the Hon. Secretary of the Fund **WITHIN TWENTY-ONE DAYS**.
2. **WITHIN TWENTY-ONE DAYS** of the injury, the claim form must be completed as required and forwarded with the relevant documents requested to the Hon. Secretary of the Fund.
3. Nett Weekly wage is the actual amount received by the player after all statutory deductions such as NHS, Tax, etc., have been deducted, and it is essential copies or proof of wages are sent.
4. As soon as the player has been declared fit to resume his occupation, a final medical certificate should be sent to the Hon. Secretary of the Fund, when the benefit due will be paid providing everything is in order.
5. It is primarily the responsibility of the player and his Captain to ensure the Official dealing with insurance is notified without undue delay of any injury to a player.

This is YOUR FUND for YOUR BENEFIT and can only succeed with your co-operation.
