It shares a campus with sister institutions i.e. RKSD (PG) College, RKSD College of Education and RKSD Public School, leaving a broad and multifaceted vision to provide top-notch education and infrastructure.

## ABOUT THE CONFERENCE

The evolving landscape of Global healthcare demands innovative, safe, and sustainable therapeutic approaches that address complex diseases and patient-specific needs. The integration of traditional medicine systems such as Ayurveda, Traditional Chinese Medicine, and Herbal therapeutics with Evidence-Based Allopathic medicine offers a promising pathway toward holistic and patient-centered care. The International Conference aims to explore scientifically grounded strategies that harmonize traditional knowledge with modern biomedical advances to enhance therapeutic efficacy, safety, and patient outcomes. By bringing together experts from traditional medicine, modern pharmacology, green chemistry, clinical practice, and regulatory science, the conference provides a collaborative platform to bridge knowledge systems and promote sustainable innovations in Healthcare. The discussions will emphasize promote evidence-based integration, translational research and emerging technologies ultimately contributing to safer, more effective, and holistic healthcare solutions.

## ABOUT APSE

The Association of Pharmaceutical Scientists and Educators (APSE) is an International professional organization founded in 2022 by Dr. Milind Parle and registered under the Registrar of Societies, India.
