ABOUT THE INSTITUTE

Sarada Vilas Educational Institution dates back to 1861, when it had a glorious beginning, with its founder the illustrious Rao Bahadur Bakshi Narasappa starting in Mysore city a school called "Sarada Vilas Patashala" to teach Sanskrit with the Royal patronage of His Highness, the Late Maharaja Sri Mumtaz Ali Krishna Raja Wodeyar. It soon shot into prominence, became a full-fledged primary school in 1870, and established itself at Lawnsdown building in 1901 with orientation to Anglo Sanskrit teaching. The shift to Modern type of education came from the "Grand old man" of Mysore, late Sri. M. Venkatakrishnaiah during 1919, by starting Sarada Vilas High School, with himself as Secretary and the late Dr. K.R. Ramaswamy as its Headmaster.

SARADA VILAS COLLEGE OF PHARMACY.

The Pharmacy wing was started in the year 1992-93 with D. Pharmacy course and B. Pharmacy course was added in the year 2004-2005 with full commitment to promote highest professional and ethical standards of pharmacy to cater the needs of pharmacy education in the country. M. Pharmacy course was added in the year 2010-2011 and Pharm. D course was added in the year 2012-2013 and was inaugurated by Former President Of India, Late Dr. APJ Abdul Kalam. SVCP is a recognized research center for pursuing Pharm D.

Our mission : *Enhancing Health through Exemplary Pharmaceutical Education, Community Service & Research.*

Our Vision : *To become internationally recognized premiere center of excellence in academics and research in Pharmaceutical Sciences.*

ABOUT THE CONFERENCE

This conference aims to bring together, a multi-disciplinary group of academicians scientists and experts on a single platform from the entire world to present and exchange break through ideas relating to Health Sciences, Indian Knowledge, Drug Discovery and Process Research, Pharmacovigilance, Biomedical science, Pharmaceutical care and Drug Safety. It seeks to promote top-level patient safety and to globalize quality research in general, thus making discussions, presentations more internationally competitive and focusing attention on the recent outstanding achievements in various fields such as Pre- clinical trials and clinical trials, ADRs, good pharmacovigilance practice, risk management, pharmacy practices and its challenges, biomedical sciences, clinical trials on various disorders, data quality management and analysis. Diversity in industrial clinical trials and clinical research, clinical research and statistics, case reports in clinical trials and drug safety, clinical database management, and business opportunities. We're looking forward for an excellent meeting with eminent scientists from different countries around the world and sharing new and exciting results during the conference. Do not miss this Golden opportunity.

HERITAGE PLACES TO VISIT

CHAMUNDI TEMPLE

The Chamundeshwari Temple is a Hindu temple located on the top of Chamundi Hills about 13 km from the palace city of Mysuru in the state of Karnataka in India.[1] The temple was named after Chamundeshwari or, the fierce form of Shakti, a tutelary deity held in reverence for centuries by the Maharaja of Mysuru. Chamundeshwari is called by the people of Karnataka as Naada Devi (ನಾಡ ದೇವಿ), which means state Goddess. It is situated at the elevation of around 3300 ft from the mean sea level. It is believed that Goddess Durga slayed the demon king Mahishasura on the top of this hill which was ruled by him. The place was later known as Mahishooru (Place of Mahisha). The British changed it to Mysore and later Kannadized into Mysuru.

AMBA VILAS PALACE/ MYSURU PALACE

Undoubtedly the most popular tourist attraction of Mysuru, Mysuru Maharaja Palace is located in the heart of Mysuru city. Known for its renowned Mysuru Dussehra Festival, it is one of the largest palaces in India. This palace was designed by a known British architect, Henry Irwin. Residence of Mysuru kings Wodeyars, the present structure of the palace was built in 1912 when the previous wooden building caught fire during a wedding ceremony of Chamaraja Wodeyar eldest daughter Jayalakshammanni. This palace is known for its architectural beauty which combines Muslim, Gothic, Hindu and Rajput style of architecture as well as Indo-Saracenic architecture.
