

YEARBOOK OF
BENNETT & DENNIS HERRICK MEMORIAL POST 626
THE AMERICAN LEGION
GLADSTONE MISSOURI

FOR: JULY 2016 – JUNE 2017
BY: DOUGLAS W. MILLISON

INTRODUCTION

A group of 20 officers who served in the American Expeditionary Force (AEF) in France during World War I is credited with founding the Legion. AEF Headquarters asked the officers to suggest ideas on how to improve troop morale. One officer, Lt. Col. Theodore Roosevelt Jr., proposed an organization of veterans. In February 1919, the group formed a temporary committee and selected several hundred officers who had the confidence and respect of the whole army.

About 1,000 officers and enlisted men attended the Paris Caucus in March 1919. They adopted a temporary constitution and the name The American Legion. The group also elected an Executive Committee to complete the organization's work. It considered each soldier of the AEF a member of the Legion. The Executive Committee named a subcommittee to organize veterans at home in the United States.

Two months later, in May 1919, the Legion held a second organizing caucus in St. Louis. It completed the constitution and made plans for a permanent organization, setting up a temporary headquarters in New York City and beginning its relief, employment and Americanism programs.

Congress granted the Legion its national charter in September 1919. The first national convention convened in Minneapolis, adopting a permanent constitution and electing officers to head the organization.

In March of 1974 a temporary charter was granted to Commander C.E. Farrar and Adjutant F.V. Cannon for the formation of Post 626 in Gladstone, Department of Missouri. Gladstone itself was relatively new, organizing in 1952. A permanent charter was issued to Post 626 under Commander Bobby Watts and Adjutant Don Austin in June of 1975.

During a ceremony on the 19th of March, 1988, under Commander Burt Nelson and Adjutant Roger Kohrs, American Legion Post 626 became the Bennett and Dennis Herrick Memorial American Legion Post 626 of Gladstone Missouri.

BENNETT HERRICK

Bennett James Herrick, "Bennie" was born in Denver, Colorado, April 29, 1948. The family moved to Kansas City in 1951 and Kansas City remained his home until July, 1966, when Bennie decided to fulfill his 'obligation' to his country, even though he had already made arrangements to go to college and scholastically would have been draft exempt. Bennie opted for the para-troops and was assigned to the 101st Airborne Division after graduation as honor graduate from jump school at Ft. Benning. While training at Ft. Campbell with the 101st, Bennie was named soldier of the month twice.

He arrived in Vietnam in October, 1967, and his unit went into the field on arrival. Bennie was wounded twice in combat prior to his death while leading a patrol, March 25, 1968. Bennie's legacy to his friends is a Scholarship at Oak Park High School. This Scholarship to the top drama student of each graduating class will have helped start the 20th student to a higher education with the class of 1988.

DENNIS HERRICK

Dennis Haldane Herrick was born in Denver, Colorado, April 5, 1950. Kansas City was 'home' to Dennis from April, 1951 until June, 1969. Even though Dennis was draft exempt as sole surviving son, he enlisted in the Army soon after finishing his first year in college. Dennis was hurt badly by the death of his brother and found it impossible to be a civilian student, subject to the anti Vietnam propaganda that pervaded the college campus. Dennis could not be sent to a combat theatre with the status of sole surviving son unless he volunteered in writing. He arrived in Vietnam August 5, 1970, and his parents were notified of his death shortly thereafter.

Dennis participated in all forms of athletics and also enjoyed 'rock' music and played in a band his junior and senior year in high school. A knee injury in his junior year in high school was such that he couldn't pass the high school physical to play football but was still accepted by the army for unrestricted duty.

Community Voices

American Legion honors sacrifices of local first responders

A message from Post 626

The Bennett & Dennis Herrick Memorial American Legion Post 626 knows that the first responders among us work tirelessly every day and night ensuring that our families and our community are safe.

To do that they make sacrifices, their families make sacrifices, and sometimes those sacrifices include the lives of those trying to save lives.

As another Patriot Day moves behind us, we must not forget what these men and women do for the citizens of this country, running into burning buildings to rescue us, confronting armed criminals to protect us and patching us up when we are injured. We are honored to honor the men and women in the Public Safety Department and professions by lowering the flag at Big Shoal Cemetery to half-staff on Patriot Day and making a donation to the Surviving Spouse and Family Endowment Fund.

SSAFE provides the comfort of financial support for the surviving spouse and dependents or, in their absence, the parents

of sworn law enforcement officers, firefighters and emergency services personnel who lose their life in the performance of their duties in the greater Kansas City metro area.

Bennett & Dennis Herrick Memorial American Legion Post 626 calls on its membership and concerned citizens of Gladstone to explore the possibility of making a donation to this cause. In the last 11 months they assisted the families of five fallen public servants at \$25,000 each. Let's all help them keep it going.

Contact Sonny Wilson at 960-6800, ext. 236, at swilson@kc-crime.org or through the website survivingspouseandfamily.org.

With a current membership of 2.4 million wartime veterans, The American Legion was founded in 1919 on the four pillars of a strong national security, veteran's affairs, Americanism and youth programs. Legionnaires work for the betterment of their communities through more than 14,000 posts across the nation.

Oak Park junior competes in oratorical competition

Renee Hill of Oak Park High School competed in the American Legions High School Oratorical Contest, finishing first in her district Jan. 22 in Smithville and second in the zone contest Jan. 29 in Concordia.

The American Legion Oratorical Contest exists to develop deeper knowledge and appreciation for the U.S. Constitution among high school students. Since 1938, the program has presented participants with an academic speaking challenge that teaches leadership qualities, the history of our nation's laws, the ability to think and speak clearly, and an understanding of the duties, responsibilities, rights and privileges of American citizenship.

"The Bennett and Dennis Herrick Memorial American Legion Post 626 of Gladstone congratulates Ms. Hill on her accomplishments" said Douglas Millison, the post's senior vice commander. "What these students do is quite remarkable and earns our deepest respect. They prepare an oratorical that must be not less than five minutes long and not more than six, and when that is done they are given five minutes to prepare for an assigned topic that is picked from a list of four articles of or amendments to the Constitution. They must deliver it in not less than three minutes and no more than five. All the while they are being judged on everything from originality and comprehensiveness to voice and style. Remarkable."

Contestants are competing for scholarships up to \$2,000 at the state level, and up to \$18,000 at the national level. High school students under age 20 are eligible. Competition begins at the post level and advances to a state and national competition.

"We are looking forward to seeing Ms. Hill again next year," Millison said. "And with this experience under her belt, she will be all that much better prepared."
