3. Type in 'bridge21' then press the blue 'search' button.

4. After you press the 'search' button this screen will take over your iPad. Then press the cloud in the circle:

5. Wait for the app to download. If you press the blue cloud logo the app will start downloading. This is shown by a circle with a square in the middle

6. Once the app is finished downloading, the blue cloud will turn into a blue 'open' button. Press this button to open the app.

7. This is what you will see. And you will hear music (if your volume is up). You can turn off the music by pressing the gear.

8. Beside the word music you will see a speak. Click the speaker to turn off the music.

After click the 'X' in the green circle.

9. To enter the game lobby click the sign in with apple

10. Enter your username or whatever name you want people to know you by.

Press Confirm once you are done

11. You will now be in the Lobby area and are ready to play.
