

**RE: CRESTON AVENUE**

Dear Prospective Applicant:

Enclosed is an application for the above-referenced building, which participates in a governmentally assisted affordable housing program supervised by the Low-Income Affordable Marketplace Program (LAMP) of the New York City Housing Development Corporation and the Participation Loan Program of the New York City Department of Housing Preservation and Development, hereinafter referred to as the Agency. Please note the following before completing and returning this application:

1. Applications will be selected on a first come first serve basis. Depending on the volume of applications received, it may not be possible for all of them to be opened. Accordingly, it is possible that you may not receive a response. All applicants are encouraged to monitor the internet resource center established by The City of New York ([www.nyc.gov/housing](http://www.nyc.gov/housing)) to keep up with new housing opportunities to which they may apply. Applying to more buildings, including those in locations that might not be your first preference, can only increase the chances that one of your applications will be opened and processed.
2. Each applicant may submit only one application. Duplicate applications/submissions will not be considered.
3. The application should be filled out very carefully. Leaving out information pertaining to the number and names of household members applying to live in the unit, or their incomes, may result in disqualification. In addition, **DO NOT USE WHITE-OUT OR LIQUID PAPER** anywhere on the application. If you need to correct a mistake, you should (a) cross one line neatly through the information, (b) write the revised information neatly next to it, and (c) sign your initials near the change.
4. **ONLY THE APPLICATION ITSELF SHOULD BE SUBMITTED AT THIS TIME. DO NOT ATTACH ANY CHECKS OR OTHER DOCUMENTS TO YOUR APPLICATION.** If your application is selected for further processing, additional information will be requested at that time. No broker or application fees may be charged in connection to this program. If your application is drawn for further processing, a non-refundable credit check fee (\$25 for households with 1 or 2 adults or \$50 for households with 3 or more adults) will be collected by the management company *at that time*. Again, this should NOT be sent with your application.
5. Income Eligibility: Below is a chart which breaks down the mandatory income levels for the affordable units in this building, based on family size. All income sources for all household members should be listed on the application. In general, gross income is what is calculated for most income except that net income is analyzed for self-employed applicants. Net business income from current and prior years is considered for self-employed applicants, and such applicants must have at least two complete years in the same

self-employed field. However, apart from these general guidelines, every applicant's income information (both current income as well as from the recent past) will be considered to evaluate eligibility and document a continuing need for housing assistance. Further, please note that all sources of income must be able to be documented and verified. If your application is selected for processing you will be contacted with a list of such documentation which you will need to provide at that time.

6. Other Eligibility Factors: In addition to the income requirements, other eligibility factors will be applied. These include:
  - A. Credit History
  - B. Rent Payment History
  - C. Criminal Background Checks
  - D. Qualification as a Household – the Agency's housing programs are designated for individuals, families and households who can document financial interdependence as a household unit. These affordable programs are not intended for "roommate situations" and so such applicants will not be eligible under this household criterion.
  - E. Continuing Need – Applicants to HPD/HDC's affordable housing programs must demonstrate a continuing need for housing assistance through an analysis of their assets and recent income history.
  - F. Property Ownership – Applicants to rental units may not own residential property, or shares in a co-op, in or within one hundred (100) miles of New York City.
  - G. Asset Limits – There is a limit to the amount of total household assets allowed (excluding specifically designated retirement and college savings accounts). The household asset limit for rental units is equal to the maximum income limit for a four (4)-person household at the area median income (AMI) level for which the unit is designated.
  
7. Primary Residence Requirement: Any applicant ultimately approved for this development must maintain the new apartment as their sole primary residence. Therefore any approved tenant will need to surrender any other primary residences or leases prior to signing a lease for this program. While this is true of all other apartments, maintaining more than one unit which participates in any governmental housing program is a particularly egregious violation of this requirement. If you are presently residing in another governmentally assisted unit, you are free to apply to this building provided that you comply with this requirement and give up your current such unit before signing a lease with this building (if you are selected and approved). Violation of this requirement may lead to the loss of the apartments and leases in question as well as referral to the appropriate authorities for potential criminal charges.
  
10. Submission of False or Incomplete Information: Prospective applicants should be aware that this is a governmentally assisted housing program. The submission of false or knowingly incomplete information (either in this application or in any subsequently provided verification documents) will not only result in an applicant's disqualification, but will be forwarded to the appropriate authorities for further action – including the possibility

of criminal prosecution. All paperwork and documents submitted by applicants are subject to review by The New York City Department of Investigation, a fully empowered law enforcement agency of The City of New York.

Once you have reviewed all of this information, and would still like to apply, please complete and return the enclosed application. Deadline information and return mail instructions are included in the attached notice.

11. **Primary Residence Requirement:** Any applicant ultimately approved for this development must maintain the new apartment as their sole primary residence.
