**APPLICATION FOR APARTMENT  
WFHA WESTCHESTER RESTORATION, L.P.**

**INSTRUCTIONS:**

1. **SUBMIT ONLY ONE APPLICATION PER HOUSEHOLD.** Applications will be reviewed on a first come first serve basis.
2. **Completed applications will be accepted beginning October 1, 2018. Applications will not be accepted before this date. Applications will be accepted on a rolling basis and reviewed on a first-come, first-serve basis. Applicants are encouraged to apply early.**
3. **The advertisement for this project has been posted on NYHousingSearch.gov.**
4. **You must complete the first three sections (Sections A, B, and C) as well as sign and date the application in order for your application to be reviewed if it is selected for further processing. The application should be completed very carefully. Incomplete information for the number and names of household members applying to live in the unit, or their incomes, may result in disqualification. In addition, do not use white-out or liquid paper anywhere on the application. If you need to correct a mistake, you should (a) cross one line neatly through the information, (b) write the revised information neatly next to it, and (c) sign your initials near the change.**
5. Only the application should be submitted at this time. If your application is selected for further processing, additional information will be requested at that time.
6. Mail completed application to:

**WFHA WESTCHESTER RESTORATION, L.P.  
74 WARBURTON AVENUE  
YONKERS, NY 10701**
7. **No payment should be given to anyone in connection with the preparation or filing of this application.** No broker or application fees may be charged. If your application is selected for further processing, a non-refundable credit check fee will be collected by the management company at that time.
8. **Income Eligibility:** Please review the chart in the project advertisement which breaks down the mandatory income levels for the housing program of the building you are applying to, based on family size. All income sources for all household members should be listed on the application. In general, gross income is calculated for most applicants, except that net income is analyzed for self-employed applicants. Net business income from current and prior years is considered for self-employed applicants, and such applicants must have at least two (2) to three (3) complete years in the same self-employed field. Further, please note that all sources of income must be able to be documented and verified. If your application is selected for further processing you will be contacted, via the method you select on the application (email or paper mail), with a list of such documentation that you will need to provide at that time.
9. **Other Eligibility Factors:** In addition to the income requirements, other eligibility factors will be applied. These include, but are not limited to:
  - a. Credit History
  - b. Rent Payment History

- c. Criminal Background Checks
- d. Qualification as a Household – the Agency’s housing programs are designated for individuals, families and households who can document financial interdependence as a household unit. These affordable programs are not intended for “roommate situations” and so such applicants will not be eligible under this household criterion.

10. Primary Residence Requirement: Any applicant ultimately approved for this development must maintain the new apartment as their sole primary residence. Therefore any approved tenant will need to surrender any other primary residences prior to signing a lease for this program. While this is true of all other apartments, maintaining more than one unit which participates in any governmental housing program is a particularly egregious violation of this requirement.

11. Submission of False or Incomplete Information: Prospective applicants should be aware that this is a governmentally assisted housing program. The submission of false or knowingly incomplete information (either in this application or in any subsequently provided verification documents) will not only result in an applicant’s disqualification, but will be forwarded to the appropriate authorities for further action – including the possibility of criminal prosecution.
