

What do you want the Lord to say

(Church Medley by Marvin Winans, Donnie McClurkin, Mary Mary, Marvin Sapp, Bishop Paul S. Morton)

Chorus

What do you want the Lord to say

Oh, oh, oh What do you want the Lord to say

Well done, good and faithful servant

Enter in the joy of the Lord

(Repeat)

Well done, good and faithful servant

(Repeat)

Verse

Just a little while to stay here

Just a little to wait

Just a little while to labor

In the path that's always straight

Just a little more, trouble

In this low and sinful state

We will enter in, that portal

Sweeping through that pearly gate

After while it will all be over

After while the sun will shine

After while dark clouds will pass over

And we will shout Hallelujah after while

Yes I got it, Everlasting Life
