

**GOPHER  
STATE  
OFFICIALS  
ASSOCIATION**

**BASKETBALL OFFICIALS INFORMATIONAL LETTER – (REVISED AUGUST 18)**

July, 2018

My name is Rick DeGardner and I have been appointed to be the basketball assignor for Gopher State Officials for the 2018-19 season. While there are many officials that I have become familiar with due to assigning softball/baseball for Gopher State since 2009, it's imperative that every official expecting to receive assignments through Gopher State this upcoming basketball season complete and return the fillable Basketball Officials Information Form. The form is available on the Gopher State Officials website ([www.gopherstateofficials.org](http://www.gopherstateofficials.org))

Since Bozo and I anticipate starting the assigning process by the end of August, it would be great if these forms could be returned to me by August 15, 2018. Completed forms can be returned to [rickdeg@comcast.net](mailto:rickdeg@comcast.net) (make sure to put your name in the subject line) or sent via US mail to the address listed on the bottom of the form.

New to Gopher State Officials? Please complete the New Member Application Form, available at [www.gopherstateofficials.org](http://www.gopherstateofficials.org) and return to Rick DeGardner.

Gopher State Officials will continue to utilize GotOfficials for the 2018-2019 school year. If you do not have a GotOfficials account or have an existing GotOfficials account with another association, please contact Rick at [rickdeg@comcast.net](mailto:rickdeg@comcast.net). If you have previously created a GotOfficials account you MUST NOT create another account!! Please keep your availability updated on GotOfficials.

The best way to get a hold of me with any questions is via email ([rickdeg@comcast.net](mailto:rickdeg@comcast.net)). I check for email messages several times each day.
