

WHO ARE WE

MISSION STATEMENT: Restoring hope that generates love for mankind which leads to faith that promotes change 1Thessalonians 1:3

VISION STATEMENT: One Powerful Movement to change lives through education and economic revitalization with a biblical view toward meeting needs and bearing burdens.

OnePowerfulMovement-Community Development Center (OPM-CDC) was birthed out of the vision of Bible Way Fellowship Church under the leadership of Dr. Ivory L. Varner, Senior Pastor and Teacher.

OPM-CDC is a faith-based community service organization created to impact this community, neighboring communities, the city, and beyond with a biblical world view through education and economic revitalization.

WHAT WE ARE DOING

OPM-CDC seeks to promote and enhance our 501c3 program by expanding our efforts in meeting the needs of the under privileged population. There are many families and individuals who are in need of our assistance to help sustain them from day to day. Our Food Pantry is currently assisting by feeding over 1500 individuals each month. We are designing programs to not only feed the population but also provide education, employment, services for homeless and entrepreneurial skills and opportunities to this population. We want to give them hope through extending love and meeting needs.

WHAT WE NEED

We need the support of local and surrounding businesses, churches, organizations and individuals to assist us in meeting these needs.

We are inviting you to join us in this effort.
