### Howdy Potential Partner!

First of all “**Thank You**” for your interest in Partnering with Farmers Market Partners! We are a Farmers Market Management Company with a mission to partner and support local farmers, producers, and specialty vendors who have talents to help us build a stronger local food movement. FMP has an average of 40 vendors and attracts an average of 900 shoppers each market. Our purpose is to grow a diverse local food culture by maintaining an authentic space for all people to share community and healthy lifestyles while providing a sustainable living for producers who steward the earth.

#### Value for your business:

Farmers Market Partners brings you face-to-face with 15,000+ shoppers annually who care about farm fresh food, health living and community, and supporting the local food economy. Our website averages over 4,000 hits a month and we have active social media following.

FMP is considered one of the best Farmers Markets in the Fort Bend area and offers you association with one of the most respected and well-loved organizations working to support family farmers, specialty vendors and food artisans while promoting healthy lifestyles for our community. Our supporters are committed people who recognize and appreciate partner initiatives that align with their values. Your visible support of Farmers Market Partners events gives you a memorable advantage when they are making consumer choices.

FMP is dedicated to consumer education as a critical component of the success of our farmers market. Vendors’ fees cover the basic cost of operating the markets and FMP relies on partners to support its educational and programming goals. By becoming a partner of Farmers Market Partners, you show a shared commitment to fostering a community that is economically, ecologically and socially sustainable.
