Receive 4 tickets to the VIP Appreciation Event		✓		
<p>The Farmers Market Partners has been a tremendous success. Since opening day of Missouri City's Farmers Market by the Lake we have introduced thousands of consumers to the top vendors and products in the area. We are humbled by the response to the market. We set out to create an environment that allowed the Lake Olympia community to come together for commerce. <b>We thank you for your support.</b> If you need additional information please visit our website <a href="http://www.farmersmarketpartners.com">www.farmersmarketpartners.com</a>.</p> <p style="text-align: right;">Thank You Jill Argento, Co-founder Thomasine Johnson, Co-founder</p>
