## Touchdown Club

### 2018 Aztec Football

Dear Potential Corona del Sol Sponsor:

The Corona del Sol High School Football Touchdown Club would like to ask for your support for the upcoming Fall 2018 football season. The CDS football team is in its second year under our new Head Coach, Jon Bechtold, and hopes to build on our growing success with his 26 years of coaching experience. Our boys have been working hard training during the off season and look forward to a successful season this Fall!

The 2018 football season is coming up quickly and the Touchdown Club is continuing to use banner sales and program ads to help raise money for the Freshman, Jr. Varsity and Varsity Football teams. Among many things, the money is used to print the program, help send all the players to football camp, supply pre-game meals, specialty apparel, homecoming activities, year-end banquets, awards and gifts. It takes a lot of support from people like you to help us defray the costs of these events.

The Touchdown club is offering you the opportunity to help your local community by purchasing a banner, program ad or both. Your banner will be displayed in the football stadium for the entire season. All advertisements will be in the 2018 football program, which will be sold at a minimal price at all home freshman, JV and Varsity games. All businesses that support the CDS football, cheer and band programs will be announced at home Varsity games periodically throughout the season.

Please consider supporting our student athletes by filling out the following form and donating today.
