Touchdown Club

2022 Aztec Football

Dear Potential Corona del Sol Sponsor,

The Corona del Sol High School Football Touchdown Club would like to ask for your support for the upcoming Fall 2022 football season. The CDS football team is entering the first year under our new Head Coach, Jake Barro. Last season the Aztecs won the 6A Valley East Region Title for the 2nd year in a row! The Touchdown Club is ready to pull out all the stops to support our amazing program!

The 2022 football season is coming up quickly and the Touchdown Club is continuing to use banner sales and program ads to help raise money for the Freshman, Junior Varsity and Varsity football teams. Among many things, the money is used to print the program, help send players to football camp, supply pre-game meals, football equipment for players and coaches, homecoming activities, year-end banquets, awards and gifts. It takes a lot of support from people like you to help us defray the costs of these events.

The Touchdown Club is offering you the opportunity to help your local community by purchasing **scoreboard signage, a banner, program ad or both**. Your banner will be displayed in the football stadium for the entire season. All advertisements will be in the 2022 football program, which will be sold at a minimal price at home Freshman, JV and Varsity games.

Sponsorship Benefits:

- Increased Community Presence

Please consider supporting our student athletes by filling out the following form and donating today. The Coaches, Players and the Touchdown Club truly appreciate your generosity!

Thank you for your support,

Emily Shafer
