

Corona del Sol Football

Touchdown Club

2019 Aztec Football

Dear Potential Corona del Sol Sponsor:

The Corona del Sol High School Football Touchdown Club would like to ask for your support for the upcoming Fall 2019 football season. The CDS football team is in its third year under our new Head Coach, Jon Bechtold, and continues to build on our growing success with his 28 years of coaching experience. Our boys have been working hard training during the off season and look forward to a successful season this Fall!

The 2019 football season is coming up quickly and the Touchdown Club is continuing to use banner sales and program ads to help raise money for the Freshman, Jr. Varsity and Varsity Football teams. Among many things, the money is used to print the program, help send players to football camp, supply pre-game meals, football equipment for players and coaches, homecoming activities, year-end banquets, awards and gifts. It takes a lot of support from people like you to help us defray the costs of these events.

The Touchdown club is offering you the opportunity to help your local community by purchasing a banner, program ad or both. Your banner will be displayed in the football stadium for the entire season. All advertisements will be in the 2019 football program, which will be sold at a minimal price at all home freshman, JV and Varsity games. All businesses that support the Corona football program will be announced at home Varsity games periodically throughout the season.

Please consider supporting our student athletes by filling out the following form and donating today. If printing/scanning isn't convenient, please feel free to include the necessary information in an e-mail to Lori.
