

Corona del Sol Football

Touchdown Club

Dear Corona del Sol Sponsor,

The Corona del Sol High School Touchdown Club would like to ask for your support for the upcoming Fall 2026 football season. The CdS football team is entering their second year under Head Coach, Eric Lauer. Building off of the foundation that was laid last season and with a group of talented and determined young men, the Touchdown Club is extremely excited to continue to support and drive Aztec Football to the next level!!

The 2026 season is quickly approaching, and the Touchdown Club has many opportunities to get involved and support the entire program. The Freshman, Junior Varsity and Varsity teams will all directly benefit from your support, as your donations will assist with things like football camp, pre-game meals, equipment for players and coaches, year-end banquets and awards and gifts.

The Touchdown Club is excited to offer you the opportunity to help your community and local team with scoreboard signage, on field banners, game-day program ads and in-game mentions by the announcer, to name a few.

Please consider supporting our student athletes by completing the attached form and donating today. The Coaches, Players and Touchdown Club thank you in advance for your generosity!!!

Kristina Richey

President, CdS Touchdown Club
