

Model Prayer for The United States of America

Dear Heavenly Father, we come to You in Jesus' name.

Father God, we love You. We depend on You and on Your faithfulness, even when things look dark around us and we cannot see light ahead.

Father, thank You for being the Light of all men. Jesus, thank You for being the Light that shines in the darkness.

Thank You for being the Way, the Truth, and the Life. And Holy Spirit, thank You for shining Your illuminating light in our hearts, that we may see Jesus and cry out "Abba! Father" through You and Your power.

Father God, in Jesus' name, we lift our beloved nation up to You today. Father, we pray over the USA:

- That she will know peace—the true peace which passes all understanding; the peace that can only be found in Christ Jesus. That she will know joy—the true joy that is only found in the presence of God.
- That she will know wisdom—the wisdom from above, which is first pure, then peaceable, undefiled, willing to yield to You, and full of mercy and good fruit.

Father God, I ask today in Jesus' name that You would bless kings and those who are in authority. We acknowledge today that the "kings" and "people who are in authority" may or may not be two different groups of people, Lord; but we pray that You would shower them all with Your goodness, which brings men to repentance. Bring them ALL to repentance regarding what has taken place in our elections.

Father, for those leaders and workers in government who may yet be saved, we ask that You would pour out Your Spirit of salvation upon them.

From the President to the humblest, most unknown worker in the land, let them cry out to You for mercy and salvation. And Father, for those who refuse to be saved and refuse to honor You and walk in righteousness and justice, we pray that their days in office would be few and that another that you would choose would take their office, according to Your will and Your plans only, Lord.

Heavenly Father, in Jesus' name, we ask that revival would fall on America this year. We ask that Christians would rise up and preach Jesus in the streets. We ask that churches would be filled again with people who are being saved. We pray that You would give us, Your servants, boldness to preach and speak as we ought to speak.

Father, we ask also that You would protect these United States of America this year. Protect her people, her supply chain, her economy, her food sources, her ports, her airspace, her military, her government, her cities, her villages, her schools, her shopping malls, airports, and every other facility. Protect our Constitution and Bill of Rights, Father. Protect the integrity of our Supreme Court, for we acknowledge that even though the Court is called "Supreme," YOU are actually the Supreme Being and You rule over all as You will.

O holy Father, we need You. We need You to give life to our nation again.

Heal and restore our economy. Protect and bring justice to our elections. Repair our health care system and set it aright. Heal our military.

We pray against every false theology and ideology, which are idolatry, and in Jesus' name we cast them down in America right now:

- We decree and declare that this year will be the year in which America and Americans and every stranger within our gates will WAKE UP and see the light of Jesus Christ shining upon them.
- We declare and decree that this year we shall ALL know the truth, and the truth shall make us free.
- We decree that LIFE shall prevail this year, and that every murderous intent of every person disposed to evil IS cast down now and replaced with the Spirit of life in Christ Jesus.
- We declare that there shall be an end to control and manipulation this year, and that FREEDOM would ring out again from even the dirt and stones of our nation.
- And we declare and decree that the truth of Jesus Christ, the Word of God, from sea to shining sea—and that all the people in our great nation would no longer be deceived, but would be filled with Your Spirit as You pour out Your Spirit upon all flesh.

Father God, there may be much darkness around us, but YOU shine through the darkness.

You have done much in prior years to right many wrongs in our nation. We praise You for that, and we thank You. And this year, Father, we humbly ask You to bless us and heal our land. Turn Your people back to You, and do exceedingly abundantly above and beyond all we could ever dare to ask, hope, or think. Show up, Lord, and do the great and the mighty for us in America this year.

Thank You, Abba Father. In Jesus' holy name we pray, amen and amen.
