This holiday season, you'll either know someone who is difficult to shop for... or YOU will be that difficult-to-shop-for person. And like every year before, it's all going to come down to one question: *Socks or a cool graphic novel?* Don't get us wrong, socks are great! They keep our toes warm and protect our feet from chafing when we cram them into shoes every day. But let's face it: they're so...

blah. You can get yourself a 12-pack of socks any old time. But the gift of imagination, fun and excitement found in today's hot new graphic novels? That's something altogether different. And we've got dozens and dozens of great gift ideas in this year's *Holiday Gift Guide!* You can use it to shop for that special someone in your life who enjoys the finer things in geek culture, or give it to your clueless family, clearly noted for their reference. Either way, somebody's getting a graphic novel, action figure or game this year!

And **PREVIEWS** is here to help sort things out! Our *Holiday Gift Guide* truly has something for everyone on your holiday shopping list, including a host of new titles from our cover subject, Image Comics!
