

Applied Behavioral Support Specialist Independent Contractor Position

Presence Developmental Services, PLLC is recruiting providers with Masters or PhDs in the field of psychology or Licensed Mental Health Counselors to provide independent contractor clinical support to individuals with developmental disabilities and their families. Services can be provided in private offices, individual homes, and other community locations.

Presence will provide clinical supervision from a Licensed Psychologist, electronic health record access, and administrative/billing support.

Presence is incorporated statewide in New York State. Services can be provided to individuals in each provider's local region wherever the provider may currently practice or reside in New York State. If the provider is already in private practice and would like to diversify their clientele mix or if a provider would like to become a part-time or full-time independent practice provider for the first time, this is an opportunity to begin that process.

Experience with developmentally disabled persons is required.

Reimbursement: Fee for Services: \$40.00/session - \$100.00/session
