Job Description:

***** *MUST BE LICENSED in NEW YORK STATE* *****

If you are looking for **flexibility** and an opportunity that adjusts to your individual needs, look no more: Presence Services is ahead of the curve in adjusting to the post-pandemic mental health world. Flexible appointments for both clients and providers are here to stay.

We're seeking licensed professionals to help meet the mental health needs of New Yorkers.. All our referred individuals have received a notice of a decision to be an individual with developmental disabilities.

Presence's team is above all dedicated to one mission: enhancing mental health wellness. Presence has comprehensive administrative services that allow clinicians to focus on patient care and outcomes. We assist with ongoing patient referrals, and you will have access to an electronic health record to conduct your sessions; we process all the patient billing, as well as submit and resolve insurance claims.

Benefits for Clinicians:

- Focus on Clinical Work: Your focus is **100% on counseling**.
- **Flexibility:** *There is no case maximum.* You choose your caseload size, and you are in control of your schedule and appointment times.
- Client Access: Steady patient referrals from our waiting list.
- **Insurance Panels:** Credentialing services for all clinicians.
- Collegial atmosphere and Mentorship: Supervision opportunities provided by Presence clinical supervision staff and a supportive team of administrative staff and management.
- Financial: **Competitive fees per session!**
- Future ability to help other clinicians: As you grow with Presence you can use your clinical experience to help mentor and coach our growing list of dedicated clinicians, as desired.

Qualifications:

- Fully licensed by New York State to provide counseling (LCSW, LMFT, LMHC Preferred)
- Additional certifications preferred but not required (ABA, DBT, CBT, EMDR)
- Bilingual skills are preferred but not required
- Previous experience providing treatment services to individuals of all ages with developmental disabilities
- Strong time-management and problem-solving skills
- Excellent engagement and communication skills
- Excellent organizational skills

Note: Contracted Clinicians are independent fee-for-service providers (**1099 contractors**).
