### **What to do if you have a complaint**

If there is anything to do with Baby Necessities Southampton about which you feel you need to complain, please tell us as soon as possible. If we do not know about a problem, we cannot begin to resolve it for you and take action to ensure it does not happen again.

### **Resolving complaints**

We will address each complaint in a sensitive, fair, transparent, equitable, professional and unbiased manner through the following complaints handling process.

We will operate at all times from the premise that any person is entitled to express his or her views on our services and that those views should be taken seriously where this is warranted. We will not, however, tolerate any abusive or discriminatory language or behaviour towards any of our employees, volunteers or trustees, and may decline to investigate a complaint further in such circumstances. At all times we will treat you with understanding and respect. We ask that you do the same for our employees, volunteers and

trustees. Confidential information in relation to your complaint will be handled sensitively. We are not able to respond to anonymous complaints. We cannot deal with matters for which Baby Necessities Southampton is not directly responsible.

### **What we will do on receipt of your complaint**

- We will listen, record your complaint and then acknowledge receipt of your complaint by email or post within five working days of receipt.
- We will advise you how your complaint will be handled, who will be handling it, and when you can expect a reply.
- We will request any further information from all relevant parties. If your complaint involves an employee, volunteer or trustee, this person will have the opportunity to express their point of view, accompanied by a friend. We will not disclose your name during our investigation unless you give us permission to do so.
- We will inform you of the conclusions of the investigation, take any necessary action to resolve the problem and tell you what that action is.
- Where an in-depth investigation is required, we aim to provide a full response within twenty working days. We will advise you if exceptional circumstances make that timescale impossible.
