

Fundraiser

We're excited to bring a unique and meaningful fundraiser to our community! This initiative supports our cultural programs while also creating space to learn, connect, and celebrate tradition. As part of this fundraiser, we're offering two ways to participate: You can purchase a Ribbon Skirt Kit for \$50 and create your skirt at your own pace, or choose the full experience for \$70, which includes both the kit and a guided in-person class. The class option not only gives you hands-on support in creating your ribbon skirt, but also directly supports a local artisan who will be leading the session. This is more than just a fundraiser, it's an opportunity to engage with culture, learn a new skill, and contribute to the growth of our community. Every purchase helps fund our cultural programs and ensures these traditions continue to thrive. Join us in celebrating culture, creativity, and community, while making something truly your own.

*We have a limited amount of kits and classes. Classes are available on a first pay, first served basis. We expect them to fill up quickly.

For more information: Please visit [this link](#) or scan the QR Code below.

**Quantities are limited.
First paid will be first
served. Please note
the kit number when
ordering.**
