FOR THE SEASON

2021 Shelter Catalogue for the Hard to Buy For Humans in Your Life

Dear Friends,

As the Executive Director of the Moose Jaw Humane Society, I encounter many people who wish to make a difference in the lives of abused and homeless animals, but who feel overwhelmed by the large scope of the problem. With so many animals in distress, they begin to lose confidence in their ability to make a positive, lasting difference. I feel it is important for each of you to know that even the smallest of efforts can make a big difference to an animal in need, and every animal rescued makes the world a brighter, better place.

This catalogue provides you with the opportunity to improve the lives of homeless animals in your community. In addition to getting your friends and family more traditional gifts, the Moose Jaw Humane Society wishes to offer you the chance to purchase vital and life-enhancing products and services for our animals in honour of someone you love.

These gifts will make an immediate difference in the lives of animals currently under our care and will continue to make a difference for the over 1,000 dogs and cats that will come under our care in 2022.

I hope that you will choose to give a gift that will bring hope and happiness into the lives of our animals this holiday season, and I thank you for your continued support.

Sincerely,

Dana Haukaas

Executive Director
Moose Jaw Humane Society

P.S. By providing the gift recipient's mailing information, we will be happy to send out an acknowledgment card highlighting the item or service you have supported with your thoughtful donation.

Gifts for All Pets

Paws FOR THE SEASON

A gift of \$500 would pay for:

Animal ER - support our emergency care funds

Many animals arrive at the Shelter in need of emergency care due to car accidents, neglect or abuse. The emergency funds of the MJHS provide the money needed to save these animals' lives, providing the critical emergency veterinary care they need, and the aftercare required to ensure they are adopted into a happy and loving home.

A gift of \$70 would pay for:

Full Tummies - one week of food for one dog and one cat

At any given time, the Shelter cares for up to 90 cats and 25 dogs, and filling their bowls can be expensive. By donating for pet food purchases, you ensure our animals receive the nutrition they need to be happy, healthy, and one step closer to finding their forever homes.

A gift of \$25 would pay for:

Add Some Fun - enrichment toys

Sometimes it can be a long wait to be adopted, and every dog and cat needs to access to things that make their stay at the Shelter easier. The gift of enrichment toys go a long way to make that happen. With fun toys, our animals will benefit immediately from your thoughtfulness.

A gift of \$25 would pay for:

Prevent Illness - provide critical vaccinations

Unfortunately, not all animals that come into our safekeeping have been given basic medical care; your gift of vaccinations for a Shelter animal will ensure their health and safety, as well as the public that comes into contact with them.

Delicate Eaters - provide a specialized diet for pets with health issues and post-surgery needs
