### CRYPTO HEADZ INTRO

Crypto Headz is a group of family & friends who love crypto! We are inspired by this new technology that will revolutionize our world and want everyone to realize their full potential. Here at Crypto Headz, our goal is to bring all facets of crypto together under ONE roof. From developers, to investors, day traders, to educators & those who know nothing about crypto.

We're excited to have you as part of our Crypto Headz community and are looking forward to building & creating with you.

### BUILDING ON THE BLOCKCHAIN

Come join us at our next meet up where we will be hosting Daron Bennett, CEO & Founder of FantomGo. Like the Crypto Headz, Daron is passionate about education. He will be walking us through the journey of building products, services, & initiatives that ensure the ecosystem thrives.
