

# MARYLAND STATE POLICE LICENSING PORTAL (77R) INSTRUCTIONS

**Step 1:** Find the Licensing Portal. A simple Google search for the “Maryland State Police 77R Portal” or similar, should help you find it.

**NOTE:** The 77R Portal **IS NOT** where you complete your HQL application!

The 77R Portal is used to complete your MSP Licensing Portal Account.

For our purposes, this account is necessary for Maryland Wear and Carry Permit (Handgun Permit) application submissions and/or the completion and submission of MSP form 77R (Application and Affidavit to purchase a Regulated Firearm). The MSP form 77R is needed each time you purchase a regulated firearm in Maryland and is completed and submitted electronically.

**Step 2:** Once you access the main page of the Licensing Portal, click one the “CREATE MY ACCOUNT” link.

## Handgun Roster

The Handgun Roster is a list of handguns manufactured after January 1, 1985 that have received final approval for purchase in Maryland by the Handgun Roster Board and that are not otherwise prohibited by law.

Select a manufacturer from the list to see models, model numbers, and calibers associated to the chosen manufacturer.
