A Little *Vintage*. A lot of *Charm*.

Charming, character-filled and impossibly inviting, this Mableton gem blends mid-century bones with practical updates to deliver a home that's both a canvas and a cozy retreat. Built in 1950 and thoughtfully refreshed in 2006, the property carries the warm footprint of its original era while offering systems and sensibilities that

make everyday living easy. With four bedrooms and a straightforward layout that maximizes space and encourages creative living arrangements, there is plenty of room for a dedicated home office, guest rooms, or a hobby studio.
