### Have you ever wanted to play in a rock band?

Here is your chance.. *Rock Infused Orchestra* forms every summer to work musically as a group to put on a final concert production.

Since 1999 this performance-based music camp stretches the limits of every musician—at every level.

Work on music that is recognizable by the masses while honing your individual technique and musical skill.

RIO is lead by a staff of professional musicians that are passionate about what they do. They will bring the best out of you and help you advance musically in a one-of-a-kind music camp experience.

Each musician will have the experience of large and small group rehearsals focusing on all aspects of music technique, articulation, dynamics, artistry, ensemble playing, choreography, and more.

The camp culminates with a final rockin' performance on the big stage!
