

ALUMINUM SERIES

ALUMINUM WINDOWS & PATIO DOORS

CONTEMPORARY STYLE WITH TIMELESS BEAUTY
STRONG AND DURABLE

Contemporary style. Strong and beautiful.

Milgard Aluminum Series windows and patio doors beautifully accentuate the clean, thin lines of contemporary design, combined with strength and durability that lasts.

For years, architects and builders have specified aluminum windows and patio doors when projects called for combinations with large glazing areas to accentuate maximum views.

It's tough to beat Milgard Aluminum Series windows and patio doors for their narrow sight lines, design flexibility and lasting value.

ALUMINUM SERIES OFFERS:

- Clean lines and narrow frames for a contemporary look
- High quality components that start with the rollers and go all the way to the frame itself
- SunCoat® Low-e glass is standard for energy efficiency and helps protect against fabric fading
- Replacement and new construction options
- A Full Lifetime Warranty

Why Milgard Windows & Doors

Quality

Milgard offers award-winning windows and patio doors built for long-lasting comfort. For over 50 years, industry experts have consistently recognized Milgard as a trusted brand. Milgard products have been ranked among the Best of Houzz Design five years in a row.

Experience

Since 1962, Milgard has designed and assembled superior custom-made windows and patio doors for replacement, remodeling and new construction. Milgard is known for their industry-leading designs, using patented technologies, that help make your home more comfortable.

Service

We have always taken great pride in our ability to provide exemplary customer service. We believe that being close to our customers allows us to provide a better service experience. You'll find Milgard factory trained technicians near you in the Western U.S. and Canada.

Full Lifetime Warranty

We have a dedication to quality and build our windows and patio doors to last. With Milgard, you're covered for as long as you own your home with our industry-leading Full Lifetime Warranty. See complete details at MILGARD.COM

Aluminum windows and patio doors can enhance a modern architectural style

Define Your Home with Windows

Milgard Aluminum Series windows can be combined to build just about any configuration you can dream up. The narrow sightlines coupled with its inherent strength inspire design freedom and the Milgard commitment to quality provides peace of mind you can count on.

Hardware will match frame color.

**Push Out hardware is the only option for Thermally Improved Aluminum. Choose from push out or roto operator for standard aluminum.*

Two Kinds of Aluminum

All Milgard aluminum windows offer sealed, mechanically-joined corners that stay square and true over time, helping to keep homes dry.

Standard Aluminum

Designed and assembled with extruded aluminum for a strong frame that is built to last.

Thermally Improved Aluminum

Includes a polyurethane channel cut through the extruded aluminum to reduce thermal transfer and improve energy efficiency.

Ask your Milgard Dealer which Aluminum Series options are available in your area.

Make it Your Own

Grids

Express your creativity and dramatically increase your home's curb appeal with our grid options. Select grid choices placed inside our insulated glass units for easiest window cleaning.

FLAT GRID

SCULPTURED GRID

Decorative Glass

For rooms, such as the bathroom, we offer obscure glass for privacy or decorative flair. We also have tinted glass for additional shading from direct sunlight.
