

# WARNING

## HARMFUL ALGAE / CYANOBACTERIA

Harmful algae / cyanobacteria are present, and blooms are occurring at some points in the lake (last tested on DATE).

**The lake water is most likely unsafe!**

**ALL contact with water is discouraged!**

This includes swimming, fishing, and boating.

**Pets are discouraged from swimming and their contact with water should be avoided!**

**Exposure to algal toxins may cause illness!**

Call your doctor or veterinarian if you or your animals have sudden or unexplained sickness or signs of poisoning.

**This situation will be monitored closely, and additional monitoring and testing is underway.**
