BERRIES-N-CREAM

Fresh - Delicious

On site option

We serve our 9oz cup with your choice of berries, cream, and add-ins. The berry cups are prepared in our kitchen and easily transported to the location. We come and prepare it all so the fruit is fresh and the cream is cold. We have it ready to put on the refreshment table for you. We provide the spoons and we do have tier trays available if you are interested. Traditionally we do strawberry raspberry, blackberry, blueberry, but you can do any combination.

We have many different options available.
