

Hand Quilting With Katherine Vance

Saturday, September 7, 2024, 10:00-3:00

Bits & Pieces, 13th St. & 13th Ave., Bradenton

Would you like to learn to hand quilt? This technique is not only traditional, enjoyable, relaxing, and these days rare; it requires little more than a hoop, thimble, needle, thread, and project. Learn the correct quilting technique with an expert quilter, and you can always have a project that will be ready to pick up and go with you to any quilting get-together—no machines or other equipment needed! The supply list will soon be available on our website, www.manateepatchworkers.com.
