November 2022

President's Corner

Friends,

Good news and bad news! **Bad news** first. Because of the elections we cannot meet at the church. **Good news!** Barb Jahnke has made arrangements for us to meet at her clubhouse.

We will need for as many of you as possible to stay for a few minutes after the meeting and help get the room ready for the election Tuesday as Golf Lakes is a polling site as well.

The elections for vice-president, secretary, communications directors, and community service directors will take place at this meeting. If you wish to vote and are not attending the meeting, an absentee ballot is in the newsletter. Fill it out and give it to a friend who is coming or send it to the Guild's mailbox: PO Box 356, Bradenton, FL 34206.

I hope everyone enjoyed my Quilt As You Go class as much as I did. Ladies do not forget the quilts for show and tell. This month Show and Tell will be limited to two items so we can give our wonderful speaker from Spain tons of time.

Our 2023 guild membership renewal begins this month. All members **MUST** fill out a new form every year, this year the membership form is updated to request additional information. The new membership form is attached to this newsletter and **there will even be a fillable form that you can type in and print out on our web site.**

I am waiting with bated breath for October 24, the first day of the retreat. Sue and Susan have so many surprises planned. I'm going to have so much fun with my quilting family.

See you November 7th.

Hugs and chocolate,
Sheila

"Friendship is the greatest gift. Share it."

November 7 Meeting

The November meeting has been transferred from our usual meeting space at the church to the Golf Lakes community center because the church needs to set up for the election. The Golf Lakes entrance is on 9th Street E. off 53rd Avenue E., and the gate will be open until 7:30.

Be sure to text your reservation to Susan Fickey! Our speaker will be Cristina Arcenegui Bono, fresh from the Houston show, for a lecture and slide show, with a workshop the following day at Quilters Haven. The workshop still has only a few spaces left.

As always, remember your Community Service items either to turn in or pick up. Because of the cancelled guild meeting in October, you had an extra month for completion of your UFOs—so bring #4 and one more item. The November UFO, #7, is the last one, and will be shown in January, so we won't have our prize drawing until the January meeting.

For a little extra incentive to get busy and finish those projects, the prize will be a generous gift certificate from Bits & Pieces!

You can also check your UFO form and make sure my tally is correct. As usual, we'll have the UFO show and tell first so I can get those names down!

Community Service

COMMUNITY SERVICE

Our next Community Service workshop at South Manatee County Library will be held Monday, November 14, 9 a.m. to 2 p.m. We will be putting quilt top kits together. There's a fridge and microwave available if you wish to bring lunch or you can order from Subway in the adjacent plaza.

Hurricane Ian caused a lot of damage and loss, especially south of here. Because we have such awesome, generous & talented members, we were able to donate 51 quilts to families in Myakka City. That leaves only a few finished quilts in storage; however, we have LOTS of ready-to-quilt tops - layered with batting and backing - waiting to be finished. Please take one or two home after our next meeting - they're available at the Community Service table. If you are planning to make a quilt to donate, please be sure it measures at least 40" x 40". Please also pickup labels and attach it to the quilts and use the backing from the labels to write the measurements of your quilt.

The Humane Society received 29 cat mats and 11 dog beds. They were also affected by Ian, as they housed some evacuated animals at their facility. We hope to provide more dog beds and cat mats next month, so please pick up some dog bed covers (and instructions for filling them) before or after our meeting at the Community Service table. All our donations help to maintain our status as a 501c3 tax-exempt organization.

Learn how to use simple perspective, art principles, fabric choices, and stitches to make realistic landscapes. Bonnie will provide a kit that includes stabilizer and all the fabrics you will need for a \$35 fee payable to her. The kit is optional, but strongly encouraged, and means that you can just show up with your sewing machine and supplies ready to go. The provided fabrics are key choices for Bonnie's techniques. The completed image will be 8" x 10" and will give you a foundation you can build on to create your own future landscape originals.

Visit Bonnie's website, www.landscapesinfabric.com to learn about Bonnie and see her gallery, and go to www.manateepatchworkers.org to download the flyer, a workshop registration form, and supply list. The workshop location will be finalized very soon, and all relevant information will be available on the website as soon as that is set. Questions? Email Mary Lewis at manateepatchworkers@gmail.com.
