

BOY BAND REVIEW

LAST UPDATED:
09/13/2019

NOTES:

- 1) Band will require FOH console, engineer and sound system be provided.
- 2) Band travels with their own I.E.M. system with 25' split snake, mics, cables, stands & D.I. Boxes.
- 3) Band carries supplemental lighting package run from stage including (2) projectors with screens.
- 4) If available, band would like to plug into any in-house video systems for the show.
- 5) Parking MUST be available for 15 passenger van with 14' trailer (10' ↑ clearance) near load area.
