LONE STAR DIVISION – GULF COAST CHAPTER

Between the 1920's and 1990's the Texas Sulphur Company operated the largest sulphur mine in the USA. New Gulf, Texas was the last "company town" in the state. The Gulf Coast Chapter of the Lone Star Division is offering an MTH Railing tank car to commemorate this company. These cars are of limited production and there is no limit on the quantity per order!

BOTH Cars Feature:

- Die case trucks and frame
- Wire details around tank and dome
- Bettendorf style trucks
- White lettered #14533
